Workshop on Jute Bag Making

3rd October, 2019

On September 26th and 27th, the Department of Education at Modern College of Professional Studies held a two-day workshop on jute bag making for first-year B.Ed. students. Coordinated by Ms. Haritima Dixit in the college's music room, the workshop ran from 1:30 to 3:30 pm each day.

The workshop focused on the practical skills involved in crafting jute bags, a sustainable and creative endeavor. The instructor demonstrated the step-by-step process of jute bag production, from material selection to the final stitching. Students actively participated, applying the techniques they learned to create their own unique jute bags. This hands-on experience not only enhanced their crafting skills but also emphasized the importance of eco-friendly practices. By the end of the workshop, each participant had successfully completed a jute bag, showcasing their creativity and new-found skills. The event was a productive and enjoyable learning experience for all involved.

Workshop on Cushion Making & Jewelry Making

4th October, 2019

On a vibrant day at Modern College of Professional Studies, the Department of Education facilitated a one-day workshop focused on cushion preparation and jewelry making. The event was expertly coordinated by Ms. Haritima Dixit.

The workshop was designed to equip students with hands-on skills in creating soft home décor and personal adornments, emphasizing both creativity and craftsmanship. The session began with a comprehensive introduction to the necessary materials and tools for both cushion and jewelry making. The trainer, a skilled artisan, demonstrated various techniques, from cutting and sewing fabrics to assembling beads and wires to form elegant pieces of jewelry.

Students were engrossed in learning the intricate processes involved in crafting unique cushions and jewelry. They were taught how to select appropriate fabrics for cushions that complement interior decor and how to choose the right beads and metals for constructing durable and aesthetically pleasing jewelry.

As the workshop progressed, the room buzzed with creativity and enthusiasm. Students applied their newly acquired skills under the guidance of the trainer, crafting customized cushions that could brighten any living space and creating jewelry that could serve as thoughtful handmade gifts or personal keepsakes.

Overall, the workshop was a resounding success, with students departing with not only their beautiful cushions and jewelry but also with a sense of accomplishment and inspiration to continue exploring their creative potentials.

Micro-Teaching Workshop

17-18th October, 2019

Over two days on October 17th and 18th, Modern College of Professional Studies' Department of Education held a detailed workshop on micro-teaching for first-year B.Ed. students. The workshop, coordinated by Dr. Dhiraj Singh and Ms. Monika Bansal, took place in the Seminar Hall from 10:00 am to 12:30 pm each day.

The workshop's primary objective was to acquaint and inform the student-teachers about various teaching skills, traits, and competencies crucial for their professional development. Micro-teaching, a pivotal activity in teacher education, was the focus, emphasizing its essential role in developing effective teaching skills and competencies.

On the first day, Dr. Dhiraj Singh and Ms. Monika Bansal introduced the students to the concept of micro-teaching. They covered topics including the definition, characteristics, objectives, merits, and limitations of micro-teaching. Additionally, they detailed the steps of the micro-teaching cycle, time division, and specific skills such as the skill of introduction and the skill of probing questions, explaining their components and practical applications.

The second day of the workshop delved into advanced teaching skills necessary for effective classroom management and student engagement. Topics covered included skills of blackboard writing, explanation, stimulus variation, illustration, and reinforcement. Each skill was introduced with its importance and components thoroughly discussed. Dr. Singh also demonstrated a model plan, giving students a practical example of how to integrate these skills into their teaching practice.

The sessions were interactive, with opportunities for the pupil teachers to engage directly with the material and discuss it amongst themselves and with the coordinators. This format ensured that the participants could grasp the practical aspects of the skills being taught, preparing them to apply these techniques in their teaching internships and future classrooms.

Overall, the micro-teaching workshop was a comprehensive and enriching experience for the students, equipping them with the necessary tools and understanding to enhance their teaching effectiveness and build confidence in their instructional abilities.

Workshop on flower pots making

13th March, 2020

A workshop on flower pots making was conducted on March 13, 2020 led by Mrs. Haritima Dixit, aimed to teach techniques and home decoration skills while emphasizing sustainable and aesthetically pleasing designs. Over the workshop of two days, students engaged in interactive demonstrations and hands-on practice sessions, guided by Mrs. Dixit. They learned the intricacies of selecting appropriate fabrics, designing patterns, cutting shapes, and executing sewing and decorating techniques. Notably, the workshop placed a strong emphasis on using recycled materials to promote sustainability in design. The impact of the workshop was profound.

Participants not only honed their technical skills but also developed a keen understanding of sustainable practices in design. Through their efforts, they produced unique, eco-friendly flower pots, reflecting both creativity and environmental consciousness. This experience nurtured their creativity, enhanced their technical skills, and instilled a sense of environmental stewardship, empowering them to integrate these principles into their future design endeavours.

वर्तमान वैश्विक परिदृश्य में महात्मा गान्धी के चिन्तन की प्रासंगिकता

सम्पूर्ण भारत राष्ट्र इस वर्ष महात्मा गान्धी जी की 150 वीं जयंती को उनके सन्देश, विचार और आदर्शों को पुनः प्रचारित-प्रसारित करने के लिए मना रहा है। महात्मा गान्धी जी का जन्म 2 अक्टूबर, 1869 को गुजरात के पोरबंदर नामक स्थान में हुआ था। भारतीय स्वाधीनता के संघर्ष में उनका अतुलनीय योगदान रहा है। भारतीय स्वतंत्रता संग्राम के आंदोलनों में उनकी भूमिका एवं उनके योगदान तथा भारतीय जन-मानस के मन-मस्तिष्क पर उनके प्रभाव का अंदाजा इस बात से लगाया जा सकता है कि भारतीय राजनीति में उनके प्रवेश से लेकर जीवन के अंतिम पड़ाव तक के समय को भारतीय राजनीति में गान्धी युग के नाम से जाना जाता है। राष्ट्र पिता, जननायक, राष्ट्रनायक, युगपुरुष, महान आत्मा जैसे अनेक सम्बोधनों से उन्हें सम्बोधित किया जाता रहा है। उन्होंने अपने विचारों एवं कार्यों से अंग्रेजों की गुलामी में पड़े भारतीयों को मात्र स्वतंत्रता हेतु ही नहीं प्रेरित किया अपितु भारतीय समाज को बदलते हुए वैश्विक परिदृश्य के अनुसार स्वयं को सुनियोजित-संगठित करते हुए नवीन स्वतंत्र भारत की आधार शिला रखी। उन्होंने समाज की प्रत्येक व्यवस्था - शिक्षा, स्वास्थ्य, सदाचार, स्वावलम्बन, समानता, धार्मिक सद्भाव, आपसी भाईचारा, स्वतंत्रता, सत्य, अहिंसा आदि पर अपने सारगर्भित विचार दिए और उनको वास्तविक घरातल पर उतारने के लिए उस पर सच्चे मन और समर्पित भाव से कार्य किया।

गान्धीवादी विचारों ने सदैव देश का मार्गदर्शन किया है। उनकी 150 वीं जयंती मात्र उत्सव मनाने के लिए नहीं है बल्कि उनके सिद्धांतों, आदर्शों और विचारों को अपने व्यक्तिगत जीवन के प्रत्येक पक्ष में उतारने का भी है। हमारे महाविद्यालय मॉडर्न कॉलेज ऑफ प्रोफेशनल स्टडीज ने इस अवसर पर गान्धीजी के वैचारिक चिंतन एवं वर्तमान वैश्विक परिदृश्य में उसकी प्रासंगिकता पर चर्चा करने के लिए एक दिवसीय राष्ट्रीय वेबिनार आयोजित करने की योजना तैयार की है जिसका शीर्षक है - **वर्तमान वैश्विक परिदृश्य में महात्मा गान्धी के चिन्तन की प्रासंगिकता**।

Workshop on Strengthening English Language Proficiency 26th- 28th September, 2019

From September 26 to 28, 2019, the Department of Education at Modern College of Professional Studies conducted a three-day workshop titled "Strengthening English Language Proficiency." Held in the college's Seminar Hall from 1:30 to 2:30 pm each day, the workshop aimed to enhance the English language skills of first-year B.Ed. students.

Coordinated by Dr. Rekha Sharma and Ms. Seema Sharma, the workshop focused on improving the students' abilities in reading, writing, pronunciation, and communication. Recognizing that language proficiency is fundamental for comprehending ideas, reflecting, thinking, and effective communication, this training was particularly crucial for student-teachers, preparing them to handle diverse educational contexts irrespective of their subject specialization.

The workshop provided targeted activities designed to strengthen the students' command of the English language. These activities were tailored to foster accurate reading and writing skills, and to improve pronunciation and the ability to communicate ideas clearly and effectively. The initiative reflected the college's commitment to enhancing the educational capabilities of its students, ensuring they are well-prepared to deliver quality education in their future careers. The workshop not only aimed to boost the students' confidence in their language skills but also to emphasize the importance of clear and effective communication in the educational sector.

Self-Defence Workshop

9th August, 2019

The Women Cell of Modern College of Professional Studies, in collaboration with Aprajita Campaign, Amar Ujala, organized a Self-Defense Workshop on August 9th, 2019, at the MCPS Campus. The workshop aimed to empower female participants with knowledge and skills to protect themselves and avoid becoming victims of crime.

Led by resource persons Mr. Rajiv Mandalwal and Ms. Nisha Thakur from Aprajita Campaign, the workshop provided hands-on self-defense training to 100 female participants. Aparajita, a social initiative of Amar Ujala, focuses on empowering women and advocating for their rights in society.

During the workshop, Mr. Mandalwal demonstrated various self-defense techniques, emphasizing targeting sensitive areas of the body to incapacitate attackers and create opportunities for escape. Participants were taught practical strategies for defending themselves in different scenarios, enhancing their confidence and physical strength.

Ms. Thakur highlighted the importance of bridging the physical strength gap between men and women through self-defense training. She emphasized that such training not only builds confidence but also equips women with the skills to protect themselves effectively. Principal Dr. Nisha Singh encouraged all participants to take responsibility for their safety and urged them to speak out against crimes targeting women. She emphasized the importance of utilizing the law to seek justice and ensure their rights are upheld.

The workshop concluded with enthusiastic participation from all attendees, who actively engaged in learning and practicing self-defense techniques. The event was deemed a great success, with participants equipped with valuable knowledge and skills to enhance their personal safety and security.

Cleanliness Drive on Gandhi Jayanti

1st October, 2019

Modern College of Professional Studies organized a special event, commemorating the national festival of Gandhi Jayanti and celebrating the 150th birth anniversary of Mahatma Gandhi, the Father of the Nation. The assembly, held in the Seminar Hall, saw the presence of 290 students.

The event commenced with the felicitation of the Chief Guest, Dr. Nisha Singh, who shed light on the significance of promoting and adopting khadi in daily life, emphasizing how the Charkha played a pivotal role in uniting India through the Swadeshi movement. A prayer followed, invoking the Almighty's blessings, and attendees joined hands to pledge against the use of single-use plastic. Dr. Dhiraj Singh delivered the vote of thanks, expressing gratitude for the enriching session.

Following Gandhi's mantra of "Cleanliness is Godliness," students nationwide participated in cleanliness drives to honor the Mahatma. The Education Department organized the 'Save Earth' event, aiming to raise awareness about environmental issues like global warming, pollution, and poor waste management. Activities included a cleanliness drive, where groups of students collected litter from the roads and disposed of it responsibly. Additionally, a plantation drive was conducted, with students planting trees wherever feasible. Each event conveyed a distinct message, leaving a profound impact on society. Through these initiatives, participants were sensitized to environmental concerns and inspired to take proactive steps towards creating a cleaner, greener world.

Scouts & Guide Camp

21st to 23rd October, 2019

From October 21st to 23rd, 2019, Modern College of Professional Studies hosted a three-day Scouts and Guides camp for B.Ed. second-year and D.El.Ed. Third-semester students, as part of their curriculum requirements. The camp, led by camp coordinator Mr. Surender Arya and faculty coordinators Ms. Seema Sharma and Ms. Asha, aimed to imbue students with essential scouting skills and foster team-building.

The camp opened with an introduction by the HOD, Dr. Dhiraj Singh, who presented Mr. Arya to the students. Mr. Arya briefed the participants on the history, objectives, and functions of the Scouts and Guides organization, setting the stage for the activities ahead. He organized the students into fourteen diverse groups named after significant cultural and historical figures, such as Sunflower, Rani Padmavati, and Swami Vivekanand, among others.

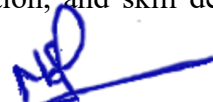

Day two focused on practical skills, including tent formation, knot tying, and the creation of various clapping rhythms and pyramids. This hands-on approach not only taught valuable survival skills but also encouraged teamwork and leadership among the students.

The final day began with a flag hoisting ceremony led by Principal Dr. Nisha Singh, followed by an oath-taking ceremony where all Scouts and Guides pledged their commitment to the values of scouting. The ceremony was marked by the distribution of sweets and was attended by all faculty members.

Post-ceremony, students showcased their culinary skills by preparing and presenting food items representative of different Indian states. This activity was not only a test of their cooking prowess but also a celebration of cultural diversity. The camp concluded with tent inspections and cultural performances by the students, which were evaluated by judges including Dr. Subodh Bala Gupta, Mr. Arvind Kumar Pandey, and Mr. Ankur Gupta. The camp was a blend of educational activities, cultural appreciation, and skill development, making it a memorable experience for all involved.

Workshop Report: Introduction to Robotics and Arduino

25th February, 2020

The Department of Computer Applications (BCA) at Modern College of Professional Studies organized a workshop on "Introduction to Robotics and Arduino" on 25th February, 2020. The workshop aimed to introduce students to the fascinating world of robotics and Arduino, a popular open-source electronics platform.

The workshop commenced in the well-equipped Computer Lab of the college, providing students with access to necessary hardware components and software tools. Led by experienced faculty members and industry experts, the workshop was designed to provide students with both theoretical knowledge and practical hands-on experience. The workshop began with an overview of robotics and its applications in various fields, including manufacturing, healthcare, and entertainment. Students learned about the basic principles of robotics, including sensors, actuators, and microcontrollers, and how they are used to design and control robotic systems.

Following the theoretical introduction, the workshop delved into the fundamentals of Arduino, an open-source electronics platform based on easy-to-use hardware and software. Students were introduced to the Arduino board, its components, and the Arduino Integrated Development Environment (IDE). Practical demonstrations were conducted to illustrate how to write and upload code to control external hardware using Arduino. In the hands-on session, students had the opportunity to work with Arduino boards and electronic components to build simple robotic projects. Under the guidance of instructors, they learned how to connect sensors, motors, and other peripherals to Arduino boards and write code to control their behavior.
