Guest lecture titled 'How to Improve Communication Skills'

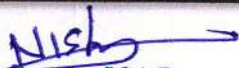

26th September 2023

The Department of Management and Commerce at Modern College of Professional Studies, in collaboration with the Placement & Career Counseling Committee, hosted a guest lecture titled 'How to Improve Communication Skills.' The event featured Mrs. Prerna Chauhan, a Consultant and Trainer in Communication Skills and Senior Faculty at T.I.M.E.

Mrs. Chauhan emphasized the significance of effective communication in both academic and professional realms. She introduced the concept of the 7C's of communication, which includes clarity, conciseness, concreteness, correctness, consideration, completeness, and courtesy. Mrs. Chauhan also underscored the importance of general awareness in boosting confidence and provided practical advice on enhancing communication skills.

The session concluded with an interactive Q&A segment, allowing students to engage actively and clarify their doubts. This facilitated student comprehension and equipped them with valuable tools for effective communication. Participants left the event with increased confidence and a deeper understanding of communication techniques applicable to both academic endeavors and future career pursuits.

Training Program on Intellectual Property Rights (IPR)

25th-26th July 2023

Modern College of Law and Research and Development Committee Modern College of Professional Studies, in collaboration with the Cell for IPR Promotion and Management (CIPAM) Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India, hosted a two-day online training program on Intellectual Property Laws. The event provided participants with invaluable insights into various aspects of intellectual property.

The program commenced with a welcome address by Prof. Nisha Singh, Principal of Modern College. This was followed by an introductory session on intellectual property acts led by Ms. Ruchita Singh, setting the stage for the comprehensive discussions that would follow.

Day 1 Highlights:

- **Dr. Ankita Jain, IP Consultant at Acviss Technologies Pvt. Ltd.**, led the first major session. She discussed the origin and evolution of Intellectual Property Rights (IPR) laws in India, including recent developments in patent laws. Her session aimed to deepen the understanding of the critical role of IPR in the dynamic global business landscape.
- **Ms. Isheta Batra, Founder, IP & Media Counsel at Trail Blazer Advocates**, presented on the role of international institutions in the development of Intellectual Property Rights. Her focus was on the ongoing amendments to copyright laws and the increasing importance of IPR in a technologically advancing world.

Day 2 Highlights:

The day began with a review by **Dr. Ankita Jain**, who then explored how IPR intersects with sustainable development. Her discussion detailed the creation of IPR for business growth, its economic impacts, and the processes involved in IP valuation.

The lecture was delivered by **Ms. Harshita Bansal, Managing Associate at United & United Law Firm**. She illuminated the judiciary's role in protecting Intellectual Property Rights, covering key terminologies, different types of IPR, and landmark judgments. This session enhanced participants' understanding of the legal frameworks governing intellectual property.

National Workshop on Research Methodology

17th-21st April 2023

The Department of Education with the Institution's Innovation Council of Modern College of Professional Studies organized a "National Workshop on Research Methodology and Applied Statistics" from 17th- 21st April 2023 to improve the research skills and competence of researchers by strengthening their knowledge.

Day 1: The workshop began with introducing participants to research methodology and applied statistics. The subsequent sessions covered "Research: Concept and Types," while the afternoon session delved into "Objectives & Hypotheses," providing a solid foundation in research methodology.

Day 2: The morning session covered "Review of Related Literature." This session highlighted the significance of conducting comprehensive literature reviews in research and taught participants how to gather and analyze existing literature relevant to their research topics. In the afternoon, the focus shifted to "Tools/Instruments." Participants learned about various research instruments and their applications, gaining insights into selecting the appropriate tools for data collection.

Day 3: The morning session covered "Research Variables" and their types. Participants were guided in identifying and classifying variables in their research. In the afternoon, the workshop delved into "Sampling" methods in research. Participants learned about different sampling techniques and how to select the most suitable one for their research.

Day 4 The morning session cleared "Descriptive Statistics." Participants acquired skills in using descriptive statistics to analyze data effectively. In the afternoon, the focus shifted to "Inferential Statistics." This session introduced participants to inferential statistics and hypothesis testing, enabling them to make inferences about populations from sample data.

Day 5: The final day of the workshop began with a session on the "Writing of Thesis and Research Report." This session guided participants in structuring and presenting their research findings, covering essential elements of a research thesis and report.

The workshop concluded with the Valedictory Session, which ran from 02:00 PM to 04:00 PM. During this session, participants received certificates of completion and had the opportunity to share their feedback and experiences, marking the successful end of the workshop.

The Five-Day National Workshop on Research Methodology and Applied Statistics provided participants with a comprehensive and structured learning experience, equipping them with valuable research skills and knowledge to excel in their research endeavors. The workshop facilitated an interactive and engaging environment for all participants.

Aaj Tak Visit

17th March 2023

On March 17th, 2023, a group of students enrolled in B. Com, BBA, BCA, and BA programs at Modern College of Professional Studies, along with their resolute faculty members, Ms. Ritika and Ms. Sonam Topwal, embarked on an educational excursion to the Aaj Tak office. The objective of the trip was to provide students with hands-on insights into journalism and television broadcasting. They attended a live television show, "Halla Bol," hosted by Ms. Anjana Om Kashyap, featuring prominent political guests.

The show focused on recent parliamentary turmoil and political clashes stemming from Rahul Gandhi's remarks at Cambridge University. This experience allowed students to gain a deeper understanding of news production, live telecasts, and policy-related debates, bridging the gap between academic knowledge and practical applications.

Report: Guest lecture on "How to Write Quality Research Papers and Publish in Good Journals"

15th November 2022

Department of Commerce, Modern College of Professional Studies, Mohan Nagar, Ghaziabad, hosted a guest lecture on "How to Write Quality Research Papers and Publish in Good Journals" by CMA (Dr.) Amit Kumar Arora, Associate Professor Research at KIET School of Management, Ghaziabad. The event aimed to enhance students' research paper writing skills and provide insights into publishing in reputable journals. Dr. Amit addressed that Research can be done on any topic or problem on which one wants to pursue research. Among researchers and academicians, there is always an urgency to publish a research paper. To improve the quality of the research, a researcher should select his/her research topic using F.I.N.E.R. approach. It stands for feasibility, Interest, Novelty, Ethics, Relevance. When a research topic is chosen using this criterion, then only the researcher would bring quality work in his research as one is enjoying his/her research work. The lecture, held in the MCPS Seminar Hall on November 15, 2022, at 2:00 PM, was coordinated by Ms. Anjali Goswami.

Online Workshop on Creating an Educational Website

09th November 2022

Modern College of Professional Studies, in collaboration with Up Educators, a Google for Education Partner in India, organized an online workshop on "Creating an Educational Website" on November 09, 2022.

The event commenced with a welcome address by Prof. Nisha Singh, Principal of MCPS. The guest speaker Ms. Sonam Chavan, Head of Academics at Up Educators, provided detailed information about the various Google courses offered by Up Educators. She explained the significance of these courses for B.Ed. trainees and faculty members. Ms. Chavan conducted a comprehensive session on website development, breaking down the process into easily understandable steps. She provided hands-on experience by creating a website in real-time, guiding the students and faculty members throughout. She also demonstrated how to convert PowerPoint presentations into Google slides and make presentations audible with video recordings. Students actively participated in developing their own websites during the session, showing great enthusiasm and curiosity. The session was filled with knowledge sharing and practical creation. Towards the end, a special scheme was announced, offering a 100% scholarship for Google courses to the student who scored the highest in a website development-related quiz. Rachna Sharma, a B.Ed. student, was declared the winner of the quiz. The event was conducted on the Zoom platform, with more than 70 participants attending. E-certificates were distributed to all registered participants by Up Educators.

Training program on Intellectual Property Rights (IPR) October 13th to October 15th, 2022

The Modern College of Professional Studies, in collaboration with the Cell for IPR Promotion and Management (CIPAM) under the Department for Promotion of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India, conducted a comprehensive three-day training program on Intellectual Property Rights (IPR) from October 13th to October 15th, 2022 to enhance participants' understanding of various aspects of IPR.

Day 1: The program began with an introductory session on "Overview of Intellectual Property Rights" on October 13th. Ms. Ruchita Singh, Manager at CIPAM, provided valuable insights into the fundamental concepts of IPR, emphasizing their significance within the framework of Indian regulations.

Day 2: On the morning of October 14th, Ms. Kajol, Assistant Manager at CIPAM, conducted a session on the "Overview of Copyright." She covered topics such as types of copyrights, rights of owners, authorship definitions, statutory licenses, legal implications, broadcasting rights, royalties, and licenses for copyright holders, and copyright infringements.

In the afternoon session of the same day, Ms. Rashmi Tyagi, Manager at CIPAM, enlightened the participants on "Patent and Patenting Procedures." This session explored different types of patent applications, patent acquisition procedures, and the rights and protections associated with patented innovations.

Day 3: The final day, October 15th, featured sessions on Trademarks, Geographical Indications (GIs), and Industrial Design. Ms. Charu Singh, MT at CIPAM, conducted the morning session, dedicated to the "Overview of Trademarks," helping participants grasp the significance and requirements for obtaining trademark rights. In the afternoon session, Ms. Ishani Banerjee, Manager at CIPAM, provided insights into "Geographical Indications (GIs)." She highlighted the distinctions between trademarks and geographical indications, enabling participants to understand the unique role of GIs in protecting distinctive products from specific regions. The training program utilized the online Webex App platform for efficient knowledge delivery and interaction, attracting over 600 participants. E-certificates were issued to all registered attendees, serving as a testament to their active participation and learning. Dr. Radhika Bansal effectively coordinated this successful event.

Induction Program

21st September 2022

The Induction Program at Modern College of Professional Studies in Mohan Nagar, Ghaziabad, unfolded over five insightful days.

Day 1: The journey commenced on September 21, 2022, as first-semester BBA and BCA students were warmly welcomed. The day began with anchors Simran and Priyanshu emphasizing the importance of setting learning goals and core values for academic achievement. A lamp-lighting ceremony in front of "Maa Saraswati" symbolized wisdom and hope, followed by an informative PowerPoint presentation introducing the college campus, program outcomes and course outcomes and cultural activities. This marked the beginning of the induction program, designed to make students comfortable in their new environment and foster bonding.

Day 2: The second day delved into the various committees within the institute, extracurricular activities, and career enhancement. Students learned about sports and cultural committees and gained insights into career opportunities from Ms. Sonam Topwal. Ms. Nidhi Singh led a session on personality concepts and their relevance in today's world.

Day 3: The third day began with an ice-breaking game, "Where is the world," aimed at fostering connections among students. An English diagnostic test, "Where in the World," was conducted to assess language skills. Additionally, a marketing quiz organized by Ms. Kalpana Singh from the BBA department added an element of fun and learning.

Day 4: Students were educated about the importance of utilizing library resources, both online and offline. Mr. Ankit Saxena explained e-resources, book banks, and library rules, emphasizing the significance of the library as a crucial resource for students.

Day 5: The final day commenced with a lecture on "Introduction to Financial Management" by Dr. Vineet Garg, highlighting the importance of financial literacy. The event concluded with Ms. Kalpana Singh discussing "Understanding Self in the 21st Century," addressing challenges and opportunities in the contemporary environment. Overall, the induction program effectively achieved its objectives, setting a strong foundation for the students' academic journey at Modern College of Professional Studies, Mohan Nagar, Ghaziabad.

Guest Lecture on Stock Investing and Virtual Trading

6th May, 2022

The Department of Commerce organized a Guest Lecture on "*Stock Investing and Virtual Trading*" with the objective of educating students about stock investment and providing insights into virtual trading. Mr. Himanshu Verma, Founder and CEO of Himanshu Gyan, graced the event as the guest speaker. He initiated the session by engaging students in discussions about stock trading to gauge their existing knowledge. Mr. Verma, a seasoned financial consultant, shared his expertise in the stock market and financial literacy, drawing from his extensive experience in the field.

During the lecture, Mr. Verma elucidated various aspects of stock market trading, emphasizing the use of technical analysis in stock selection and investment planning. He underscored the significance of investing in equity markets and mutual funds as vehicles for wealth creation. Additionally, he provided valuable insights on how to initiate investment activities and differentiate between investing and trading strategies.

The lecture proved highly informative and interactive, with students actively participating and engaging with the speaker. Particularly notable was the discussion on the latest virtual trading platforms, which provided students with practical insights into real-world trading scenarios.

Dr. Vineet Garg, Head of the Department of Commerce, concluded the session with a vote of thanks, expressing gratitude to Mr. Verma for his enlightening discourse. A memento was presented to Mr. Verma as a token of appreciation for his invaluable contribution to the students' learning experience.

Orientation Programme

21th December, 2021

The Department of Education hosted the M.Ed. Orientation Programme for the 2021-23 session, meticulously orchestrated by Ms. Neha Bansal, the program coordinator. The event was designed to welcome and integrate new M.Ed. students into the academic community, familiarizing them with the institution's history, academic standards, and current regulations.

The ceremony commenced with Dr. Nisha Singh, the Principal, alongside Mr. Vineet Goel, the Secretary, and the Head of the Education Department, inaugurating the event. This was followed by the traditional lighting of the lamp in front of Maa Saraswati, symbolizing enlightenment and knowledge.

Miss Shipra Sharma, Assistant Professor in the Education Department, played a pivotal role by introducing the new students to their faculty. This was complemented by personal insights shared by Gurpreet and Neha, second-year M.Ed. students, who recounted their experiences and the academic journey at the college. Dr. Dheeraj Singh, Head of the Education Department, provided an overview of the M.Ed. curriculum and discussed the various subjects the new students would encounter.

The event also included a session where the new entrants introduced themselves, sharing their aspirations and reasons for pursuing their M.Ed. at Modern College. This helped in building a sense of community and camaraderie among the students. Refreshments were served, providing an opportunity for informal interactions, further welcoming the students to their new academic environment.

Extempore

November 18, 2021

The Department of Management and Commerce hosted an engaging Extempore competition on current societal issues and concerns. This event aimed to enhance students' knowledge and improve their spontaneous thinking and communication skills.

The program began with a Deep Prajavalan ceremony led by the respected Principal, Dr. Nisha Singh, and the heads of various departments. Following the invocation of blessings from Maa Saraswati, Dr. Vineet Garg, Head of the Department of Commerce, delivered motivational words to kick off the event.

The extempore topics included pressing issues such as problems faced by the Indian power sector, issues and measures concerning media, pollution and politics, feminism, and key challenges of social media. These topics were carefully chosen to stimulate critical thinking and encourage students to present unique and creative views.

Participants demonstrated exceptional enthusiasm and provided insightful perspectives on these contemporary issues. The judges for the event, Dr. Vineet Garg and Ms. Pooja Chauhan, evaluated the participants based on their depth of knowledge, clarity of thought, and presentation skills.

The winners of the competition were Adarsh Kumar Shukla, who secured first place, followed by Jayanti Shukla in second place, and Deepak Kumar in third place. Their presentations showcased their ability to think on their feet and articulate their thoughts effectively. The event concluded with applause and appreciation for all participants, leaving a lasting impact on everyone involved.

**Induction Programme for B.Ed. Students****17th November, 2021**

The Department of Education organized an Induction Programme for the new B.Ed. students on November 17. The event took place in the Seminar Hall from 11:00 AM to 3:00 PM, organized by Dr. Kiran Joshi and Dr. Rajni Sharma, with student coordinators Pooja Singh and Vinod contributing significantly to the proceedings.

The main goals of this induction programme were to introduce new students to essential college services that support both their academic and personal growth, help them understand the physical and academic environment of the college, and ease their transition into college life. Moreover, the program aimed to create a welcoming atmosphere where students and families could connect with faculty, staff, and peers, setting a positive tone for their educational journey.

The day began with a traditional lamp lighting and Saraswati Vandana, led by Dr. Nisha Singh, the respected Principal, and attended by all faculty members of the Education Department. This was followed by a detailed PowerPoint presentation that provided an overview of the college campus, introduced the faculty, and outlined the qualifications of faculty members.

Dr. Dhiraj Singh and Dr. Manisha Singh provided insights into the structure and expectations of their respective programs. Discussions also covered the upcoming academic and extracurricular activities planned for the year.

Ms. Prabha Bahuguna, the college librarian, briefed the new students about the library's rules and the resources available, while Mr. Ankur Gupta, Head of the Law Department, offered information on legal assistance available to students and their families.

The program also facilitated an interactive session where students shared about their backgrounds, educational experiences, and hobbies, fostering a sense of community. The event concluded on a sweet note with the distribution of sweets, marking the beginning of the students' academic journey at Modern College of Professional Studies.

Report: Orientation Programme for M.Ed. Students

16th February, 2021

The institution hosted an enriching orientation program for the new batch of M.Ed. students joining the institution. The orientation began with an opening address by the Principal, who warmly welcomed the incoming students and provided an overview of the significance of Vasant Panchami, a festival that heralds the onset of spring and is traditionally associated with Saraswati, the goddess of knowledge and arts. This introduction set a tone of reverence for learning and culture right at the outset of the academic journey.

Following the welcome, the Head of the Department of Education introduced the students to the college's academic environment, faculty members, and the extensive resources available. This was followed by an informative session led by senior professors who outlined the M.Ed. curriculum, emphasizing the integration of practical and theoretical knowledge.

The celebration of Vasant Panchami transitioned the event into a festive mood, participants dressed in shades of yellow added to the festive atmosphere, presenting music and dance performances that captured the essence of the festival. A special Sarasvati Puja was conducted, seeking blessings for wisdom and successful learning, resonating with the academic aims of the students.

An interactive session allowed students to discuss their aspirations and anticipated challenges, with faculty offering advice on managing academic responsibilities and personal growth. The orientation concluded with a networking tea and light refreshment, providing a platform for students to build connections with peers and faculty.

Report on Orientation Programme for B.Ed.

Students 08th January, 2021

The institution held an Orientation Programme for the B.Ed. I Year students (2020-22 batch) in the Seminar Hall. The event aimed to welcome the new students and introduce them to the academic environment. The orientation featured a comprehensive Power-Point Presentation that provided an overview of the college campus, along with introductions and qualifications of the faculty members.

Mrs. Shipra Sharma introduced all the faculty members to the students, creating a friendly and welcoming atmosphere. Dr. Dhiraj Singh, the Head of the Department (HOD), presented the curriculum, giving the students insight into their upcoming academic journey. The programme continued according to the well-structured schedule.

Dr. Rekha Sharma discussed the code of conduct of the college, ensuring that the new batch understood the expectations and responsibilities as members of the college community. Mr. Ankur Gupta, provided valuable information about legal assistance available to students, while Mrs. Prabha Bahuguna guided them through the library rules and regulations, emphasizing the importance of utilizing the library as a resource for their studies.

The Orientation Programme also included various activities and cultural programmes that encouraged student participation and interaction. These activities helped break the ice and allowed the students to showcase their talents and creativity. The event concluded on a high note, with everyone having a great time and applauding the students for their enthusiasm and performance.

The BCA Department organized an I.T. Fest on "Ethical Hacking" in the seminar hall. The event focused on ethical hacking, an authorized attempt to gain unauthorized access to a computer system, application, or data. The fest began with a lamp-lighting session, where Ms. Sangeeta welcomed Principal Dr. Nisha Singh and the Heads of all departments to the stage to give a tribute to Maa Saraswati, the goddess of Education.

The event was organized under the guidance of Mr. Arvind Kumar Pandey, Head of the Department of Computer Applications, with the objective of providing ideas on network protection and demonstrating skillfulness in ethical hacking. During the event, issues related to ethical hacking which is used to hack systems and find loopholes in security systems were discussed. The event highlighted the importance of ethical hacking in fighting cyber terrorism and taking preventive action against hackers.

Report: Guest Lecture on Direct Tax and Laws in Relation to Tax

20th December 2020

Modern College of Professional Studies hosted a guest lecture featuring Mr. Amit Jain, Director at Equity Fund "MIDAS," as the distinguished speaker. The lecture focused on "Direct Tax and Laws in Relation to Tax,". The session commenced at 11:00 A.M., aiming to enrich students' understanding of direct tax concepts and pertinent laws.

Mr. Jain's expertise and insights provided invaluable knowledge to the attendees. The lecture aimed to achieve several objectives, including creating awareness among students regarding direct tax, informing them about its basic concepts, and improving their knowledge of tax laws. Additionally, the session aimed to foster a platform for healthy interaction between students and the speaker while addressing their queries and doubts effectively.

Through Mr. Jain's lucid explanations and real-world examples, students gained a deeper understanding of direct tax and its significance in the financial landscape. The interactive nature of the session facilitated lively discussions, allowing students to actively participate and seek clarification on complex tax-related issues.

The guest lecture served as a valuable platform for students to broaden their knowledge horizon and gain practical insights from an industry expert. Feedback from participants indicated their appreciation for the informative session, with many expressing a heightened interest in exploring further aspects of taxation.

Workshop on Various Applications of Google and Supporting Apps 2nd -11th November 2020

The Women's Cell of Modern College organized a 7-day workshop from November 2nd to November 11th, 2020, focusing on the various applications of Google and supporting apps. Led by Dr. Kiran Joshi, the workshop aimed to equip 15 undergraduate teacher trainees with the knowledge and skills to effectively utilize Google tools in the classroom. Participants learned how to leverage Google applications such as Docs, Slides, Drive, Jamboard, Classroom, Forms, and Input Tools for projects, lessons, notes, assignments, and assessments. Through hands-on lab practice sessions, attendees gained practical experience and insight into the diverse functionalities of Google's cloud-based services, fostering a collaborative and innovative learning environment. The workshop proved to be an incredible and engaging learning experience, providing participants with valuable tools and strategies to enhance their teaching practices.

Report on Orientation Programme for BBA & BCA October, 2020

9th

On October 9th, 2020, the Seminar Hall of Modern College of Professional Studies buzzed with excitement as it hosted the BBA & BCA Orientation Programme. Mrs. Nirmala Dhek led the event as the anchor, setting the tone for an engaging and informative day ahead. The objectives of the programme were multifaceted, aiming to introduce students to college services, facilitate academic advisement, and familiarize them with the campus environment. Dr. Nisha Singh, the Principal, along with the other dignitaries, inaugurated the event by lighting the lamp in front of "Maa Saraswati," symbolizing knowledge and hope. A Power-Point Presentation provided insights into the college campus and introduced faculty members, enriching students' understanding of available resources. The programme also featured student introductions, fostering a welcoming atmosphere and generating excitement for the learning journey ahead. With enthusiastic participation and positive feedback, the Orientation Programme concluded as a resounding success, promising a fruitful beginning for new students at the college.

Guest Lecture on "Python"

9th March, 2020

Modern College of Professional Studies organized a guest lecture on "Python" for the students of the BCA (Bachelor of Computer Applications) department. The lecture, held on 9th March, 2020, aimed to introduce students to the fundamentals of Python programming language and its applications in the field of computer science.

Mr. Rakesh Roshan, an esteemed Associate Professor in the Department of Computer Application, served as the resource person for the session. With his extensive expertise in the field, Mr. Roshan provided valuable insights into the features, syntax, and semantics of Python, highlighting its simplicity and versatility as a programming language.

During the lecture, Mr. Roshan covered various topics, including basic data types, control structures, functions, and object-oriented programming concepts in Python. He demonstrated practical examples and coding exercises to help students understand the concepts better and encouraged active participation through hands-on learning.

Furthermore, Mr. Roshan discussed the significance of Python in modern software development, emphasizing its role in web development, data analysis, artificial intelligence, and machine learning. He also shared valuable resources and learning opportunities available for students to further enhance their Python skills.

The interactive session allowed students to ask questions, clarify doubts, and engage in meaningful discussions on Python programming. The lecture provided a solid foundation for students to explore the vast potential of Python and its relevance in the ever-evolving field of technology.

Workshop Report: Introduction to Robotics and Arduino 25th February, 2020

The Department of Computer Applications (BCA) at Modern College of Professional Studies organized a workshop on "Introduction to Robotics and Arduino" on 25th February, 2020. The workshop aimed to introduce students to the fascinating world of robotics and Arduino, a popular open-source electronics platform.

The workshop commenced in the well-equipped Computer Lab of the college, providing students with access to necessary hardware components and software tools. Led by experienced faculty members and industry experts, the workshop was designed to provide students with both theoretical knowledge and practical hands-on experience. The workshop began with an overview of robotics and its applications in various fields, including manufacturing, healthcare, and entertainment. Students learned about the basic principles of robotics, including sensors, actuators, and microcontrollers, and how they are used to design and control robotic systems.

Following the theoretical introduction, the workshop delved into the fundamentals of Arduino, an open-source electronics platform based on easy-to-use hardware and software. Students were introduced to the Arduino board, its components, and the Arduino Integrated Development Environment (IDE). Practical demonstrations were conducted to illustrate how to write and upload code to control external hardware using Arduino. In the hands-on session, students had the opportunity to work with Arduino boards and electronic components to build simple robotic projects. Under the guidance of instructors, they learned how to connect sensors, motors, and other peripherals to Arduino boards and write code to control their behavior.

Report: Guest Lectures on Introduction to Securities Market & Investing in Capital Market

24th February 2020

Modern College of Professional Studies was privileged to host distinguished guests Mr. Narendra Dev from NSDL (National Securities Depository Limited) and Mr. Nishant from NSE (National Stock Exchange) for an enlightening session on "Introduction to Securities Market & Investing in Capital Market."

The event aimed to provide students with valuable insights into the intricacies of the securities market and equip them with essential knowledge about investing in the capital market. Mr. Narendra Dev and Mr. Nishant, both experts in their respective fields, shared their expertise and experiences with the eager audience.

The guest lectures covered a wide range of topics, including the functioning of the securities market, types of securities, regulatory framework, investment strategies, risk management, and the role of technology in modern trading practices. Through engaging presentations and real-life examples, the speakers elucidated complex concepts in a manner that was easy to comprehend for the students.

The interactive nature of the lectures allowed students to actively participate by asking questions and seeking clarifications on topics of interest. The insightful discussions fostered a deeper understanding of the subject matter and encouraged critical thinking among the audience.

Report Workshop on "Hardware Configuration, Software Installation, and Networking"

24th October, 2019

The Department of Computer Applications (BCA) at Modern College of Professional Studies organized a workshop on "Hardware Configuration, Software Installation, and Networking" aiming to provide students with practical knowledge and hands-on experience in configuring hardware components, installing software applications, and understanding basic networking concepts.

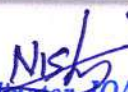

The workshop commenced in the well-equipped Computer Lab of the college, where students had access to state-of-the-art facilities and tools necessary for the practical sessions. Led by experienced faculty members and industry experts, the workshop was structured to cover essential topics related to hardware, software, and networking.

The workshop began with an introductory session on hardware configuration, where students learned about the various components of a computer system, their functions, and how to assemble and configure them correctly. Practical demonstrations were conducted to illustrate the process of installing hardware components such as processors, memory modules, storage devices, and peripherals.

Following the hardware configuration session, the workshop shifted focus to software installation, where students were guided through the process of installing operating systems, device drivers, and application software. Participants learned about different installation methods, troubleshooting techniques, and best practices for ensuring smooth software installation and system setup.

The final segment of the workshop was dedicated to networking fundamentals, where students were introduced to basic networking concepts, protocols, and components. Practical exercises were conducted to demonstrate network setup, configuration, and troubleshooting, empowering students with essential networking skills.

Report Orientation Programme of BBA & BCA

10th August, 2019

Modern College of Professional Studies warmly welcomed the new batch of Bachelor of Business Administration (BBA) and Bachelor of Computer Applications (BCA) for the academic year 2019-22 with an engaging Orientation Programme held on 10th August, 2019. The event aimed to acquaint the incoming students with the college culture, academic policies, and various opportunities available to them during their tenure.

The programme commenced with an auspicious lamp-lighting ceremony, symbolizing the enlightening journey that the students were embarking upon. Dr. Nisha Singh, the esteemed Principal of the college, extended a warm welcome to the new students, emphasizing the significance of their academic journey and the transformative experiences awaiting them at Modern College of Professional Studies.

Various faculty members provided insights into the curriculum structure, examination patterns, and co-curricular activities, ensuring that the students had a comprehensive understanding of the academic landscape. They also highlighted the importance of academic discipline, time management, and active participation in extracurricular pursuits to foster holistic growth.

Additionally, senior students shared their experiences and offered valuable tips to the newcomers, easing their transition into college life. The interactive sessions allowed the new students to voice their queries and concerns, which were addressed by the faculty and senior members, fostering a sense of camaraderie and support among the student community.

The orientation programme also featured presentations on career opportunities, industry trends, and internships, providing valuable insights into the professional landscape awaiting the students upon graduation. Furthermore, the college administration outlined the various support services available to students, including counseling, mentorship programmes, and academic resources, ensuring their holistic development and well-being.

The event concluded with a vote of thanks by the Coordinator of the Orientation Programme, expressing gratitude to all participants for their active involvement and reaffirming the college's commitment to providing a nurturing and empowering educational environment for its students.

Report: Induction Programme of B.Ed.

20th-23rd July, 2019

The Department of Education at Modern College conducted a comprehensive orientation program from July 20 to July 23, 2019, for the newly admitted B.Ed. students of the 2019-21 session. The event took place in the Seminar Hall, starting each day at 10 a.m.

The orientation aimed to introduce the students to essential college services, such as the library, information technology support, and academic and student services that would support their educational and personal goals. Additionally, it facilitated initial academic advisement, course selection, registration, and provided an introduction to the campus's physical facilities.

The event started with excitement, curiosity, and anxiety among the students. Mrs. Kanchanlata hosted the program, warmly welcoming the chief guest Mr. Tapan Kumar, Secretary Sir, Principal Dr. Nisha Singh, faculty members, and all attendees. The session began with a ceremonial lamp lighting in front of "Maa Saraswati," symbolizing the pursuit of knowledge.

Key speeches were delivered by Dr. Pradeep, who spoke on facing life's challenges with positivity, and Mr. Tapan Kumar, who discussed the current education system and the evolving role of teachers. A PowerPoint presentation provided an overview of the college campus and introduced the faculty members, with Mrs. Shipra Sharma taking the lead.

Dr. Dheeraj Singh, Head of the Department, introduced the curriculum. The subsequent days featured presentations by Mr. Ankur Gupta, Head of the Law Department, who informed students about legal assistance, and Mrs. Prabha Bahuguna, who explained the library rules and regulations. Ms. Neha Bansal briefed the students on EPC courses, project work, and assignments.

The program was punctuated with cultural performances and activities by the students, creating a welcoming atmosphere and fostering community spirit. The orientation was deemed a success, culminating in the distribution of sweets to all participants. This event effectively minimized new student anxiety, promoted a positive attitude, and stimulated excitement for learning.
