Art and Craft Competition and Exhibition on Gandhi Jayanti

30th September to 1st October, 2021

Modern College of Professional Studies celebrated the 152nd birth anniversary of Mahatma Gandhi through a memorable Art and Craft Competition and Exhibition. This two-day event, orchestrated by the Department of Education and held in the college auditorium, aimed to blend artistic expression with Gandhian principles of peace, tolerance, and self-reliance.

The event commenced with an inaugural ceremony led by Dr. Archana Sharma, Senior Associate Professor at Ginni Devi College, Modinagar, alongside MCPS's Principal Dr. Nisha Singh, and other dignitaries. Participants engaged in a soup and umbrella decoration competition under the guidance of Ms. Haritima Dixit, with entries judged on creativity and adherence to the theme of Gandhian values.

The highlight was the art and handicraft exhibition where students showcased and sold handmade items, demonstrating their skills and entrepreneurial spirit. The competition concluded with awards for outstanding contributions, recognizing the best decorated soups and umbrellas. Anjani's group won the first prize in the soup decoration competition, while Harsh's group led the umbrella category.

The exhibition not only honored Gandhi's legacy but also emphasized the importance of co-curricular activities in fostering holistic development among students. Dr. Nisha Singh praised the event's role in promoting craftsmanship and self-reliance, essential in today's educational landscape. The event was a vibrant testament to the creativity and enthusiasm of MCPS students, celebrated by faculty and guests alike.

Symposium on "Gender Equality and Empowerment of Women in the Digital Age."

11th October, 2021

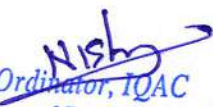

The Department of Education hosted a significant Symposium on "*Gender Equality and Empowerment of Women in the Digital Age.*" This event coincided with the International Day of the Girl Child, a global observance that emphasizes the empowerment and amplification of young girls' voices worldwide.

The symposium commenced with the ceremonial lamp-lighting by Dr. Vineet Garg, Secretary Mr. Vineet Goel, Principal Dr. Nisha Singh, and other esteemed faculty members. It aimed to address the crucial theme of bridging the digital divide and enhancing the role of women and girls in the digital era.

The event included a series of presentations, with a total of 13 papers discussed in a technical session chaired by Dr. Rekha Sharma and Dr. Manisha Singh. These sessions highlighted the challenges and opportunities for women in the digital world, stressing the importance of digital inclusivity for ensuring gender equality.

Discussions throughout the day revealed that supporting adolescent girls today not only secures their rights but also promises a more equitable and prosperous future. By investing in girls, we prepare them to take on roles as leaders and innovators in tackling global issues such as climate change, economic development, and political stability.

The symposium concluded with the distribution of certificates by Principal Dr. Nisha Singh, celebrating the contributions and encouraging continued advocacy for gender equality in the digital age. The day was marked by insightful discussions and was a step forward in acknowledging and reducing the digital gender gap.

General Awareness Quiz

30th November, 2021

The Department of Management and Commerce organized a General Awareness Quiz, aiming to enhance students' general knowledge and prepare them for class debates, entrance tests, group discussions, and interviews. Coordinated by Mr. Subhandu Singh, the quiz provided an engaging platform for students to challenge themselves and stay updated on various topics.

The event saw enthusiastic participation from 36 students across different classes. Held offline, the quiz accommodated those who might not be technology-friendly, ensuring inclusive participation. This format also allowed for accurate data collection and time-efficient execution.

The quiz comprised three rounds designed to test the students' knowledge and quick thinking: Teams competed to press the buzzer first and answer the questions. The competition was intense and showcased the students' broad knowledge base and quick reflexes. The winning team emerged from the Department of Management and Commerce consisting of Lakshya Sharma, Kanika Pal, Shivam Rana, and Anurag. Their performance stood out, securing their victory through consistent accuracy and speed in answering questions.

This quiz not only helped students assess their general knowledge but also motivated them to focus on areas needing improvement. It highlighted the importance of staying informed and confident, providing a valuable learning experience that extended beyond their regular academic curriculum. The event was a resounding success, fostering a spirit of healthy competition and intellectual growth among the participants.

Workshop on Reading and Reflecting on Texts

6th to 7th January, 2022

The Department of Education organized a two-day workshop focused on '*Reading and Reflecting on Texts.*' The workshop aimed to develop study habits, reading and writing skills, and summarization and note-taking abilities among student-teachers.

The event was inaugurated by Dr. Dhiraj Singh, Head of the Department of Education, who emphasized the significance of reading and reflecting on texts for academic and professional growth. The workshop was coordinated by Ms. Neha Bansal, Assistant Professor of the Education Department, who guided the students through various aspects of reading and responding to different types of texts. The workshop covered several critical topics designed to enhance the participants' textual engagement skills:

Review of Textbooks: Students examined core and pedagogy-related textbooks to understand different perspectives and teaching methodologies.

Policy Documents and Reports: Participants reviewed policy documents, autobiographies, commissions, and reports to gain insights into educational policies and historical developments.

Literary and Historical Books: The workshop also included reviews of various studies, historical books, and other educational texts, encouraging students to broaden their reading spectrum.

The interactive sessions encouraged active participation from the students, who were enthusiastic about exploring new texts and enhancing their analytical skills. The workshop provided a platform for students to discuss and reflect on their readings, fostering a collaborative learning environment.

With a total of 94 participants, the workshop successfully achieved its objectives. 22nd March, 2022

Modern College of Professional Studies, located in the Anand Industrial Area, celebrated World Water Day/Water Conservation Day with a virtual program organized by the Department of Education. The event aimed to highlight the importance of freshwater, its various uses, and strategies for reducing water consumption.

The virtual program commenced with the ceremonial lighting of the lamp and garlanding in front of Maa Saraswati, setting a spiritual and respectful tone for the event. The program was coordinated by Ms. Neha Bansal, with Varun Singh and Upasna serving as student coordinators.

Following the inauguration, students from various departments shared their insights on water conservation, followed by a detailed PPT presentation on water conservation strategies.

The event also included poetry recitations by Anjali, Nisha Sharma, and Yogendri, highlighting the critical importance of water in our lives. Himanshi, a B.Ed. first-year student, narrated a compelling story on the value of water, emphasizing its scarcity and the need for conservation.

हिन्दी दिवस

14 सितंबर, 2021

मॉडर्न कॉलेज ऑफ प्रोफेशनल स्टडीज, मोहन नगर, गाजियाबाद में शिक्षा विभाग द्वारा आयोजित हिन्दी दिवस का कार्यक्रम बहुत ही उत्साह और साहित्यिक अनुराग के साथ मनाया गया। इस दिन को चिह्नित करने के लिए, कार्यक्रम की शुरुआत मां सरस्वती की पूजा और दीप प्रज्वलन के साथ हुई, जिसमें कॉलेज के प्रिंसिपल डॉ. निशा सिंह, सचिव श्री विनीत गोयल और विभाग के अध्यक्ष सहित सभी शिक्षकगण शामिल हुए।

इस अवसर पर विद्यार्थियों ने विभिन्न साहित्यिक और सांस्कृतिक प्रस्तुतियाँ दीं, जिसमें कविता पाठ, गीत, और भाषण शामिल थे, जो हिन्दी भाषा के महत्व और इसकी विविधताओं को दर्शाते थे। इन प्रस्तुतियों में श्री सुमित्रानंदन पंत और मैथिलीशरण गुप्त जैसे प्रसिद्ध कवियों की रचनाएँ भी शामिल थीं। विद्यार्थियों ने न केवल हिन्दी साहित्य की रचनाओं को प्रस्तुत किया, बल्कि स्वरचित कविताओं के माध्यम से अपनी सृजनात्मकता का भी परिचय दिया।

कार्यक्रम के दौरान, डॉ. निशा सिंह और श्री विनीत गोयल ने हिन्दी भाषा के प्रति अपने विचार साझा किए और इसके महत्व को रेखांकित किया। उन्होंने हिन्दी को भारतीय संस्कृति का अभिन्न अंग बताते हुए इसके संरक्षण और प्रचार के लिए प्रेरित किया।

कार्यक्रम का समापन डॉ. धीरज सिंह के धन्यवाद ज्ञापन के साथ हुआ। इस पूरे आयोजन में सभी विभागाध्यक्षों और प्रवक्ताओं की उपस्थिति ने इसे और भी गरिमामय बनाया। हिन्दी दिवस के माध्यम से, मॉडर्न कॉलेज ने न केवल हिन्दी भाषा के प्रति जागरूकता बढ़ाई, बल्कि यह भी दिखाया कि कैसे यह भाषा हमें एक सूत्र में बाँधती है।

Scouts & Guides Camp

20th to-22nd October, 2021

Modern College of Professional Studies (MCPS) hosted a transformative three-day Scouts & Guides Camp, organized by the Department of Education for second-year B.Ed. students. This camp, part of the EPC-5 course requirement, was crucial in imparting essential skills and values associated with the Scout and Guide movement.

The camp was expertly coordinated by Ms. Seema Sharma, with Mr. Surender Kumar Arya, Training Commissioner of Bharat Scout & Guide Camp, Uttar Pradesh, leading as the instructor. Activities commenced daily from 8:00 am to 4:30 pm, packed with educational and team-building exercises.

The inauguration began with Dr. Dhiraj Singh, Head of the Department, introducing Mr. Arya, who then briefed the students on the rich history and objectives of the Scouts & Guides. The camp emphasized practical skills such as tent pitching, knot tying, and understanding uniform codes, which were taught through hands-on sessions.

Students were grouped into patrols, each named after iconic figures and symbols from various Indian states, reflecting the diverse cultural heritage of India. These groups undertook responsibilities like flag-hoisting and preparing regional dishes, which were later showcased in a food stall exhibition judged by esteemed members of the faculty.

The camp culminated in a valedictory session where tents and food stalls were inspected by the judges, followed by cultural performances during the tent inspection. Principal Dr. Nisha Singh expressed appreciation for the students' efforts and the skills they had acquired during the camp.

Field Trip

18th December, 2021

The Mathura-Vrindavan field trip was a captivating educational experience for students from like B.Com. BBA, and BCA programmes. The trip aimed to provide students with a deeper understanding of India's architectural and cultural history.

The day-long excursion took students to significant historical and religious sites, including Shri Krishna Janmasthan, Banke Bihari Mandir, Vishram Ghat, and Prem Mandir. These iconic landmarks not only offered insights into Hindu mythology but also showcased the rich heritage of India.

Under the coordination of Mr. Arvind Pandey and Mr. Vijendra Singh from the Department of Computer Applications along with Dr. Vineet Garg from the Department of Management and Commerce, Ms. Shipra Sharma, and Ms. Seema Sharma from the Department of Education, the trip was meticulously organized.

Students had the opportunity to immerse themselves in the vibrant culture and spiritual atmosphere of Mathura and Vrindavan. They were encouraged to observe the architectural intricacies, historical significance, and religious practices associated with each site. Witnessing the unique lighting and magnificent architecture of Prem Mandir left a lasting impression on the participants.

The diverse group of participants added to the enriching experience, fostering camaraderie and cultural exchange among students. Through this field trip, students not only expanded their knowledge beyond the confines of the classroom but also honed their observational and analytical skills. They gained a newfound appreciation for India's rich cultural heritage and its enduring legacy.
