ABOUT MODERN COLLEGE OF PROFESSIONAL STUDIES

Modern College of Professional Studies is a renowned institution committed to providing quality education and holistic development to students. Established under the aegis of Ganesh Shiksha Samiti and is affiliated with Chaudhary Charan Singh University, Meerut, we take pride in our rich heritage and unwavering dedication to nurturing young minds. The college offers a wide range of academic programs, blending traditional teaching methods with modern techniques to ensure a comprehensive learning experience. Our state-of-the-art facilities, well-equipped laboratories, and extensive library resources further enhance the learning experience. We foster a culture of research and innovation, encouraging students to explore new frontiers and contribute to cutting-edge advancements in their respective fields.

ABOUT THE CONFERENCE

The National Conference on "Empowering Sustainability and Entrepreneurship Education in Higher Learning: A Multidisciplinary Exploration" endeavors to unite educators, researchers, students, administrators, and industry experts representing various fields. This conference serves as a platform to delve into inventive methodologies, exemplary models, and cooperative tactics for infusing sustainability principles and entrepreneurship education into higher education institutions. The primary objective of this conference is to respond to the urgent demand for sustainability-driven education in higher learning by cultivating a multidisciplinary discourse. Participants will exchange knowledge on successful approaches, pioneering research, and transformative methodologies that empower students and promote sustainable entrepreneurship.

OBJECTIVES OF THE CONFERENCE

The Conference seeks to achieve the following broad objectives:

1. To create a platform for multidisciplinary discussions on integrating entrepreneurship education with sustainability in higher education curricula.
2. To showcase innovative pedagogical approaches that foster entrepreneurship, sustainability awareness, critical thinking, and action among students.
3. To explore the role of technology and digital resources in enhancing entrepreneurship education for sustainable development.
4. To provide a forum for assessing and measuring the impact of entrepreneurship and sustainability initiatives within higher education institutions.
5. To promote collaborative partnerships among academia, industry, and communities to advance sustainable development goals through entrepreneurship education in higher education.

CALL FOR PAPERS

Innovative Pedagogical Approaches:

- Active Learning Strategies for Sustainability and Entrepreneurship Education
- Interdisciplinary Curriculum Design for Sustainable Development with Legal Aspects
- Experiential Learning and Sustainability: Real-world Applications in Legal Context
- Gamification and Simulations in Sustainability and Entrepreneurship Education with Legal Considerations

Harnessing Technology for Sustainable Education :

- Effective Use of E-Learning Platforms in Sustainability Courses
- Virtual Reality and Augmented Reality for Immersive Sustainability Education
- Data Analytics for Monitoring and Enhancing Sustainability Learning
- Sustainable Technology Solutions for Accessibility and Inclusivity

Evaluating Progress and Enhancing Impact in Sustainability and Entrepreneurship Education :

- Comprehensive Sustainability and Entrepreneurship Assessment Frameworks
- Quantitative and Qualitative Metrics to Measure the Effectiveness of Sustainability and Entrepreneurship Initiatives
- Exemplary Case Studies Demonstrating Successful Implementation of Sustainability and Entrepreneurship Metrics
- Continuous Improvement and Adaptation of Sustainability and Entrepreneurship Initiatives Informed by Rigorous Assessment

Collaborative Partnerships across Disciplines for Sustainable Development and Entrepreneurship :

- Cross-Campus Collaboration Models for Sustainability and Entrepreneurship Programs, with Legal Frameworks
- Industry-Academia Collaborations for Sustainable Research, Entrepreneurship, and Legal Initiatives
- Community Engagement and Partnerships for Local Sustainable Impact, Integrating Legal Aspects
- International Collaboration in Higher Education for Global Sustainability and Entrepreneurship Goals, Addressing Legal Dimensions

Entrepreneurship Education for Sustainable Development :

- Integrating Entrepreneurship Education into Sustainability Curricula
- Fostering Innovation and Start-up Culture for Sustainable Solutions
- Empowering Students as Sustainable Entrepreneurs
