Modern College of Professional Studies: At a Glance

Modern College of Professional Studies was established in 2003 under the aegis of Ganesh Shiksha Samiti, accredited grade B + by National Assessment and Accreditation Council (NAAC), affiliated to Chaudhary Charan Singh University, Meerut. It offers seven courses across three streams namely Education, IT, Commerce and Management. It lays supreme emphasis on providing the contemporary learning environment in context of modern methods and technology coupled with Indian heritage, value and discipline.

It aims to equip students with the requisite academic and professional skills in teacher education, management, and IT to prepare them for empowering reflective, ethical, compassionate educators and inspirational leaders for a diverse world. It carries out multidisciplinary research in the field of educational theory, in accordance with today's digital world.

Working as a centre of excellence by integrating innovative, scientific and research approaches. It grooms personality and creates skills with a sense of responsibility towards society, the nation and the world at large.

Our college has been accredited as "B+" grade by NAAC in 2016.

Vision

Strengthening the nation with excellent professionals in the field of Education, Science & Technology, Law and Management with leadership qualities and best managerial skills in their field.

Mission

- To serve society and improve the quality of life in every sphere.
- To become a recognized elite education Institution by nurturing high-quality talent, providing an excellent academic & research environment and promoting the dissemination of knowledge.
- To provide educational and personality development for preparing worthy citizens of tomorrow.
- To create an enabling environment for the development of student through academic, extra –curricular and socially meaningful activities.
- To develop awareness about the role of education in building up a democratic, secular and socialistic pattern of society and thus serve the society.
- To develop awareness about the role of education in building up a democratic, secular and socialistic pattern of society and thus serve the society.
- To develop 3 H's {Head, Heart and Hand}.

COURSES AVAILABLE THE COLLEGE

LABORATORIES

The Laboratory is a place where students convert their theoretical knowledge into practical knowledge for development of all round aspects of students. Laboratory training is frequently used to develop skills necessary for more advanced study or researches.

The college has the following labs-

1. ICT RECOURSE CENTRE

The college has well-equipped fully air-conditioned Computer labs. The computers are installed with latest i3 Processor and Latest Equipment. It has a computer lab with a large number of computers for providing knowledge to students. Our labs are equipped with internet facilities and networking so that the faculties and students can keep themselves updated.

	Computer			Technology Updated	Internet Facility
	PC	Laptop	Projector		
Educational Technology Lab	21			Ms. Office (2013 & 2016)	Yes
Computer Lab	48	1	1	Windows (2008 & 2010)	Yes
ICT based class Room	1		5	Tally ERP 9.0	
Total	70	1	6	Anti-Virus: Quick Heal	

2. LANGUAGE LAB

The twenty-one-terminal lab is equipped with the latest, automated language lab system having the facility of voice recording, playback, one-on-one interaction etc. It is extremely beneficial for language learning and the enhancement of effective communication skills. The language lab is powered by Orell's digital language lab.

Total Computer	Software
20 Client + 1 Server	iTELL Digital Language Learning Solution

3. CURRICULUM LAB

Curriculum lab has three sections 1. Science Section, 2. Math Section and 3. Psychology Section.

LABS	TYPES OF ITEMS	Items/Quantity
Science Section	Apparatus	39/347
	Chemicals	47/89
	Specimens	16
	Chart	59
	Model	5
Maths Section	Apparatus	16
	Chart	15
Psychology Section	Psychological Test	89
	Pictures of Psychologist	13

4. WORK- EXPERIENCE LAB

Early career students and creative practitioners can push boundaries, take creative risks, and develop concepts for works that respond to the unique potential of audiences at the college. Teachers will be encouraged to consider new approaches to work presentation for large-scale public events, as well as the logistics of scaling up for complex and ambitious projects in an outdoor setting.

LIBRARY

The college library supports the university's academic and research programmes by meeting the information requirements of students, researchers, faculty, and institutions. The library's services are offered electronically on users' desktops, in an IT and Wi-Fi enabled campus. It has a well-furnished and efficiently organized Library. It is well stocked with latest editions of Books by eminent authors on various titles to cater the needs and requirements of its readers. The college also provides the facility of Book-Bank to the student. It has rich collection of books including textbooks, reference books.

LIBRARY/ INFRASTRUTURE FACILITIES (Updated)

S. No	Details	Total Available

SESSIONAL/PRACTICAL WORK:

Sessional works are very important component of Teacher's Training programme. Pupil- teachers are exposed to various kinds of sessional works to acquaint them with factors and forces affecting educational system and classroom situation. The various sessional activities (Course wise) that are conducted are as follows:

FOR M. ED. PROGRAMME

M. Ed. 1st Semester

- PC-1 Reading and Review of four classic books on education
- PC-2 Seminar Presentations on Philosophical and Psycho-social issues of Education
- Paper related internal test & Paper related field-based activities on CC-1 to CC-4

M. Ed. 2nd Semester

- PC-3 School Observation (10 days)
- PC-4 Submission and Presentation of Research Proposal for Dissertation
- Paper related internal test& Paper related field-based activities on CC-5 to CC-8

M. Ed. 3rd Semester

- PC-5 Reading and Review of two research papers published in journals of repute
- PC-6 Internship in a Teacher Education Institute followed by a report and its presentation (20 days)
- Paper related internal test & Paper related field-based activities on CC-9 to CC-10 & SC-11 or SC-12.

M. Ed. 4th Semester

- PC-7 Dissertation
- Paper related internal test& Paper related field-based activities on CC-13 to CC-14& Any two of OC-15 to OC-20

FOR B. ED. PROGRAMME

B. Ed. (1stYear)

- EPC 1: Strengthening Language Proficiency
- EPC 2: Art and Aesthetics
- EPC 3: Reading and Reflecting on Texts
- Tasks and Assignments on CC 1-4

B. Ed. (2nd Year)

- EPC 4: Understanding of ICT
- EPC 5: Scouting and Guiding

- EPC 6: Working with Community
- Task and Assignments on CC 5-7 & PC 3-4

PRACTICAL ASPECTS OF COURSE

The institution engages students in active learning with full involvement of the students. Best efforts are made to establish connection between theory and practice. For this purpose, different activities like Micro Teaching, Simulated Teaching and Practice of Teaching are organized by the institute.

In department of education Seminar/PPT/classroom presentation is compulsory for every student in their Core- Paper, on the topic provided by the concerned faculty and its evaluation is made by the observation of their presentation.

MICRO TEACHING FOR B. ED. FIRST YEAR (SESSION 2020-22)

Micro teaching was conducted from 22nd March 2021 to 27th March, 2021.

The student teachers used innovative Microteaching Techniques for developing teaching skills. The following teaching skills were developed through Micro plans.

Name Of Skill	Date	No. of Groups	Students in Group	Total Shifts
Introduction Skill	22 nd March, 2021	13 Groups	15 students	Group: 1-7 Morning shift (10:00a. m. to 1:00p. m.) Group: 8-13 Evening Shift (1:30 to 4:30 p. m.)
Reinforcement Skill	23 rd March, 2021			
Explanation and stimulus Variation Skill	24 th & 25 th March, 2021			
Illustration Skill & Blackboard skill	26 th & 27 th March, 2021			

Each pupil-teacher delivered one micro lesson plan per day. The plans were evaluated by teacher educators. The feedback was also provided to the student teachers for improvement in their teaching skills.

PRACTICE TEACHING SESSIONS

The purpose of this component of the course, in addition to equipping them with pedagogical skills, is to orient the pupil-teachers to their duties, responsibilities and norms to be followed in their practice teaching schools.

FOR B. Ed. I YEAR (Session 2020-22)

ACTIVITIES FOR TEACHING PRACTICE ARE AS FOLLOWS: -

- Simulated Teaching
- Actual Class Teaching Practice

SIMULATED & PRACTICE TEACHING:

Simulated teaching practice is provided with a demonstration lesson plan by a teacher educator. Simulated teaching was conducted from 18th November 2019 to 30th November 2019.

Date	No. of Groups	Students in Group	Total Shifts
1 st April, 2021 to 9 th April, 2021.	13 Groups	15/16 students	Group: 1-7 Morning shift (10:00a.m. to 1:00p.m.) Group: 8-13 Evening Shift (1:30 to 4:30 p. m.)

Total numbers of Lesson Plans = 4 on each method.

Standard Time to Present = 30Min/per lesson plan

Students were asked to prepare four simulated lesson plans in each teaching methods and deliver them. (online & offline both modes were used).

PRACTICE TEACHING:

After the completion of simulated teaching all pupil teachers are prepared to present lesson in their respective teaching methods. Practice teaching conducts in different schools, but due to COVID-19, this year it was held as simulated teaching in continuation. Each student must deliver a lesson plan in a day which is evaluated by the teacher educator. The feedback is provided to the students. The peers also observe about ten lesson plan of their classmates and give the feedback. Teaching is aided with working models and effective teaching aids. They are guided to prepare various teaching aids so that the lesson can be made interesting for all the students.

Teaching Dates: - From 12th April 2021 to 30th April, 2021 (i.e., 12, 13, 14, 15, 19, 20, 22, 23, 24, 26, 27, 28, 29, 30th April, 2021)

Note: Due to COVID-19 schools were closed and classes were conducted online. Due to this practice teaching could not be conducted in schools. Practice teaching was conducted as simulated teaching offline and online mode both.

INTERNSHIP DETAILS OF B. Ed. (2018-20) II YEAR

Duration	16 Weeks Approx. (For 96 days as prescribed by the CCS University)
Date	From 1 st February, 2021 to 24 th May, 2021
Total Students	197

- These activities will be conducted under the supervision of concerned faculty members.

ACADEMIC ACTIVITIES ORIENTATION- PROGRAMME

B.Ed. I Year (2020-22)

Date	8th January, 2021,
Venue	Seminar Hall
No. of Days	One day on Friday
Name of Activity	Orientation Programme of B.Ed. I Year (2020-22)
Objectives	<p>The goals and objectives of Orientation Programme are:</p> <ul style="list-style-type: none"> • To introduce students to college services which will support their educational and personal goals (ex. library, information technology, academic and student services departments). • To facilitate initial academic advisement, course selection, and registration. • To familiarize students with the campus environment and physical facilities. • To create an atmosphere that minimizes anxiety, promotes positive attitudes, and stimulates an excitement for learning. • To provide a welcoming atmosphere for students and families to meet faculty, staff, and continuing students, as well as other new students.
Coordinator	Mrs. Haritima Dixit & Ms. Seema Sharma

This programme consisted of a Power-Point Presentation that provided an overview of the college campus as well as the introduction and qualification of faculty members. Mrs. Shipra Sharma introduced all the faculties to the students. The curriculum was introduced to the students by Dr. Dhiraj Singh (HOD). Following that, the programme proceeded according to the predetermined schedule. Dr. Rekha Sharma discussed the code and conduct of college, Mr. Ankur Gupta (HOD, Law) provided the information about the legal assistance and Mrs. Prabha Bahuguna explained the students with the library rules and regulations. The new students then participated in a variety of activities and cultural programmes. Everyone had a great time and applauded the students.

WORKSHOP-EPC-1

भाषा प्रवीणता दक्षयता [हिंदी] से सम्बंधित कार्यशाला

दिनांक	22/02/2021 - 27/02/2021
समय	अपराह्न 1.30 बजे से 3.00 बजे तक
स्थान	ऑनलाइन प्लेटफॉर्म
दिनों की संख्या	3
क्रिया कलाप	भाषा प्रवीणता दक्षता (हिंदी)
उद्देश्य	कार्यशाला के निम्न उद्देश्य है-

	<p>1-छात्राध्यापकों को हिन्दी भाषा के शुद्ध रूप से परिचित कराते हुए उनमे हिन्दी के प्रचार-प्रसार एवं शुद्ध रूप में प्रयोग के प्रति जागरूकता उत्पन्न करना।</p> <p>2--छात्राध्यापकों में हिन्दी भाषा के प्रति ज्ञान का वर्धन करना।</p> <p>3-- छात्राध्यापकोंमें हिन्दी भाषा के सही उच्चारण को विकसित करना।</p> <p>4-- छात्राध्यापकोंमें हिन्दी भाषा को पढ़ने तथा सही रूप में लिखने की क्षमता को विकसित करना।</p> <p>5--छात्राध्यापकों में मातृभाषा के प्रति रुचि उत्पन्न करना।</p>
कार्यशाला संचालक	सुबोध बाला गुप्ता, हरीतिमा दीक्षित

मॉडर्न कॉलेजऑफ़ प्रोफेशनल स्टडीज़ में शिक्षा विभाग द्वारा भाषा प्रवीणता दक्षता हिंदी, से सम्बंधित तीन दिवसीय कार्यशाला का आयोजन दिन क 22/02/2021 से 24/02/2021 तक समूहवार किया गया।

भाषा दक्षता से सम्बन्धित इस कार्यशाला में डॉ० सुबोध बाला गुप्ता एवं श्रीमती हरीतिमा दीक्षित द्वारा छात्राध्यापकों को ऑनलाइन प्लेटफॉर्म के माध्यम से हिन्दी भाषा के व्याकरणिक पक्ष के उन बिंदुओं से, जो पाठ्यक्रम में बीएड पाठ्यक्रम में शामिल किए गए हैं, अवगत कराया गया। तीन दिन तक चली इस कार्यशाला में छात्राध्यापकों की हिंदी व्याकरण से सम्बंधित समस्याओं का भी समाधान किया गया।

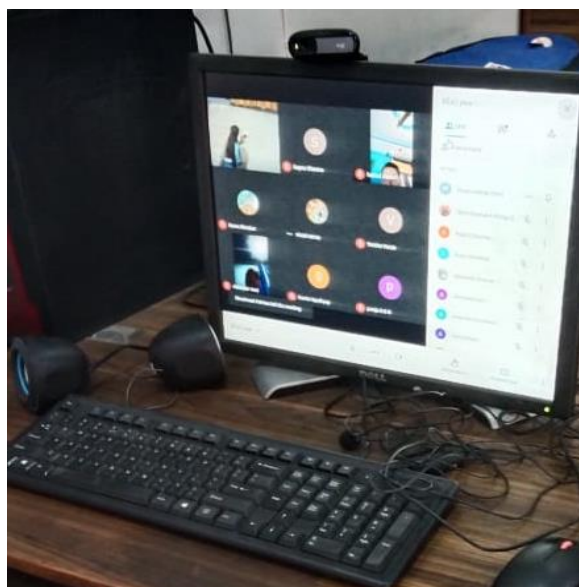

WORKSHOP ON EPC-1 STRENGTHENING ENGLISH LANGUAGE PROFICIENCY

Date	25 th to 27 th February, 2021
Time	1:30PM to 3:00PM
Venue	Online Platform
No. of days	Three
Name of Activity	Strengthening The English Language Proficiency
Objectives	<p>To enable student-teachers to-</p> <ul style="list-style-type: none"> • Strengthen the ability to read and write correctly • Strengthen the ability to pronounce and communicate correctly
Coordinator	Ms. Seema Sharma

Language is the medium for comprehending ideas, for reflection and thinking, as well as for expression and communication. Enhancing one's own capacity in language proficiency is thus a vital need of student-teacher irrespective of the subject area that they are going to teach. To enhance and strengthen the English language proficiency of students, The six days Workshop of "STRENGTHENING ENGLISH LANGUAGE

PROFICIENCY” was conducted by Education department of the M. C. P. S College. In this workshop all the B. Ed. 1st Year students participated.

The workshop took place from February 25th to February 27th, 2021, and began at 1:30pm to 3:00pm through an online platform for three days.

WORKSHOP ON EPC-2 (ART AND ASTHETICS)

JUTE BAG MAKING

Management Representative	Mr. Yogesh Garg (Treasurer)

Scout & Guide camp is the most important part of B.Ed. curriculum. In two-year, B.Ed. Course, Scout & Guide Camp is a part of B.Ed. Second Year under the EPC-4.

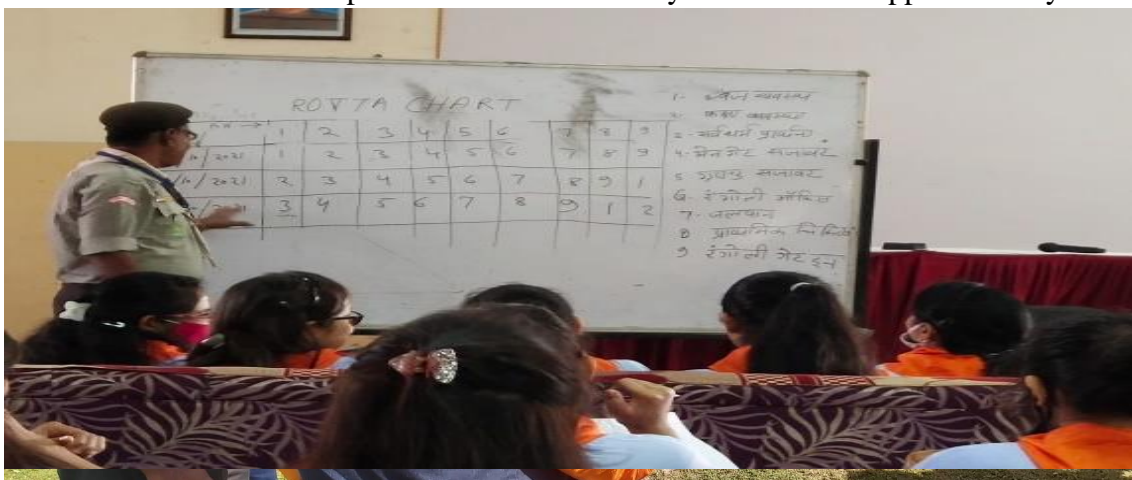

The Aim of Scouting and Guiding is four-fold. The first is the formation of character; the second is the formation of sound health habits. The third is the training in the handicraft and the acquiring of useful skills; and the fourth is the cultivation of a proper spirit of service efficiently. The pursuit of this aim leads to the development of good citizenship, among boys and girls.

Students were divided into state based groups. There were Sixteen groups of students. The names of the groups were:

S.no.	Group Name	Group Name
1.	Rose	Monika Rani
2.	Rani Laxmi Bai	Km Sushmita
3.	Saina Nehwal	Shikha Rani
4.	Lotus	Neha Rani
5.	Kalpna Chawla	Apeksha Malik
6.	Kiran Vedi	Rashida Parveen
7.	Tiger Hills	Dimple
8.	Sarojni Naidu	Soni Jaiswal
9.	Geeta Phogat	Anjali Dubey

10.	Royal Girls	Manshi
11.	Indra Gandhi	Iram
12.	Eagle	Varun Devra
13.	Panther	Manish Kumar Suman
14.	Lion	Vishal
15.	Narmada	Niketa
16.	Radha Rani	Anjali Mishra

Students prepared food items according to their state and displayed them. The food was delicious, hygienic, clean and tasty. All the participants enjoyed, appreciated, and relished the food supplied. The food was inspected and tasted by Principal Dr Nisha Singh, Chief Guest Dr Aruna Sharma & Dr Archana Mishra, Mr. Yogesh Garg (Treasurer), Mr. Arvind Kumar Pandey (BCA HOD), Mr. Anuj Sharma (BBA HOD), and all faculty members of the Education department. Efforts made by students were appreciated by all.

WORKSHOP ON BOOK REVIEW EPC-3

Date	May 14, 2021 to May 15, 2021
Venue	Online Through Google Meet
No. of days	2
Name of Activity	Book review workshop EPC-3 Reading and Reflecting on texts
Objectives	To enable student-teachers to- <ul style="list-style-type: none"> • To Develop Study – Habits • To Develop Skill of reading • To Develop Skill of writing • To Develop Skill of summarization • To Develop Skill of Note – Making • To Develop analytical skills
Workshop coordinators	Dr Dhiraj Singh and Ms. Neha Bansal

Book review has been introduced as a compulsory activity in EPC (Enhancing Professional Capacity) courses of B. Ed curriculum and it is termed as EPC-III, READING AND RFLLECTING ON TEXTS. In this activity students must review of at least 10- books of different categories. These are as follow: -

- ❖ Review of textbook related to core courses - 4
- ❖ Review of Textbooks related to Pedagogy courses - 2

A book review is a form of literacy criticism in which a book is analysed based on content, style, and merit. A review may evaluate the book based on personal taste. A book review is an analysis of a book that includes its subject, strengths and weaknesses and context. Book reviews usually begin with the Introduction of the book. After your introduction, develop some **supportive context** for your assessment of the book. This part of the review includes background information about the book and the author. It provides your reader with a big picture look at the book and lays a foundation for your later critical analysis. To make them understand the process of this book review to the students, two days' Workshop on **“BOOK REVIEW (READING AND REFLECTING ON TEXTS)”** was organized by Dr Dhiraj Singh and Ms. Neha Bansal.

The workshop was conducted from May 14, 2021 to May 15, 2021 through online platform. For this Google Meet was used. All the students actively participated in this workshop. There was a slight variation in the schedule due to COVID-19 pandemic.

REPORT ON ART AND CRAFT COMPETITION AND EXHIBITION

Date	30 September 2021 to 1 October 2021
Venue	Seminar Hall
No. of days	2
Name of Activity	Art and crafts competition and exhibition
Objectives	<ul style="list-style-type: none"> • To Develop motor skills • To Enhance self-expression • To Enhance creativity
Workshop coordinators	Ms. Haritima Dixit

A two-days Art and crafts competition and exhibition was organized by Modern College of Professional Studies, Mohan Nagar and Amrit Manthan Welfare Society on 30 September 2021 and 1 October 2021, on the occasion of 152th birth anniversary of Mahatma Gandhi. The event was held in the college seminar hall. The main objective of this competition was to make education employable and self-reliant students.

Dr. Archana Sharma, the chief guest, Mr. Vineet Goyal, the college secretary, Dr. Nisha Singh, the college principal, and all of the department heads lit the candle in front of Maa Saraswati to officially begin the programme.

After this, a soup and umbrella decorating competition started under the guidance of Miss Haritima Dixit (Assistant professor of Education Department), in which all the students of the college actively participated. At the end of the competition, winners were announced based on various criteria by the judging team. This judging team consisted of the chief guest, Dr Archana Sharma, the college's principal, Dr Nisha Singh, and Ms. Bhavna, an assistant professor in the law department.

Based on their evaluation, the well-decorated soups and umbrellas that got first, second and third place were selected. After this, an Art and Handicraft exhibition was also organized in the college seminar hall in which various handmade items had been displayed by the students of the college and these handmade goods were offered for sale using coupons.

On the second day of the art and craft exhibition, the winners of the first day's soup and umbrella decorating competition were awarded with prizes by the chief guest, secretary sir and principal of the college. In the soup

decorating competition, Anjani group won first place, followed by Pooja Pal and Pooja Singh groups; in the umbrella decorating competition, Harsh group won first place, Prachi group came in second, and Kirti and Nidhi group came in third. Other students were also praised for their commendable work, they were all blessed. The principal of the college, Dr Nisha Singh, the head of the education department, Dr Dheeraj Singh, and assistant professor of the education department, Ms. Haritima Dixit formed the organising committee for this exhibition. Dr Rekha Sharma, Ms. Neha Bansal, and Ms. Seema Sharma served as the committee's coordinators.

At the conclusion of this exhibition, the chief guest Dr Archana Sharma expressed her views by saying that handicraft items have religious and cultural significance. Through it the creativity of a person is displayed and for the all-round development of the students, there is a great need for such type of cocurricular activities along with teaching. This exhibition was originally scheduled to take place on May 21, 2021, but due to the Covid19 Pandemic it moved to September 30, 2021

CULTURAL ACTIVITIES (2020-21)

INDEPENDENCE DAY

Date	15 th August, 2020
Time	09:00AM
Venue	Campus of MCPS
Guest	Sh. Brijesh Kumar Goel
Objectives	<ul style="list-style-type: none"> • To commemorates the sacrifices made by freedom fighters and political visionaries. • To remind of their roots. • To enumerate the benefits of self-governance and Parliamentary Sovereignty and to value the freedom more.
Co-ordinator	Ms. Haritima Dixit, Mrs. Rajni Sharma

MCPS always celebrates festivals of national importance with great enthusiasm. Every citizen of India should be aware of the importance of this day in our lives. The day is counted as red letter day in the history of India and celebrated all over the nation in unity with great patriotism. This year, due to pandemic covid-19 with some precaution only flag hosting has been made possible without any celebration and physical presence of students. Therefore, the program will be celebrated in short span of time. At 9.00 am sharp the celebration started with the Flag Hoisting by Mr. Vineet Goel, Secretary, Modern College of Professional Studies, and Mr. Yogesh Garg (Treasurer) sang national anthem. Everyone gathered for the speech by the Secretary and the principal after the flag-hoisting ceremony. Shri Brijesh Kumar Goel, Member of the Management Committee, Mr. Vineet Goel, Secretary, Mr. Yogesh Garg (Treasurer), and the principal with all the HODs and faculty members from different departments were present.

हिंदी दिवस

TEACHER'S DAY

Event	Teacher's Day
Day	Saturday
Date	05/09/2020
Time	11:00P.m onwards
Objectives	<ul style="list-style-type: none"> • To generate a regard for the Teachers. • To promote the rich cultural diversity. • To develop Cultural and Social Heritage. • To express immense love for Teachers.
Chief Guest	Principal (Dr. Nisha Singh) All Faculty Members.

The contribution of a teacher cannot be ignored at all. In many countries across the world, teacher's day is a special day where teachers of schools, colleges, and universities are honoured specially. In India, the Teacher's Day is celebrated on 5th September. This is the when Dr Sarvepalli Radhakrishnan was born. He was a philosopher, scholar, teacher, and politician and his dedicated work towards education made his birthday an important day in the history of India.

Due to Covid-19 pandemic, the college celebrated Teacher's Day on virtual platform. Following are our program scheduled during that day:

Ms. Asha Sharma began the programme with a welcome speech. Following that, the programme was managed by B.Ed. first-year students, and then B.Ed. second-year students presented their poems and sang songs. Students presented poems about teachers and Teacher's Day.

The principal addressed the virtual gathering. She shared many experiences of her life and taught the real meaning of Teacher's Day. The programme was concluded with the vote of thanks by Dr. Dhiraj Singh (HOD Edu).

PARAKRAM DIWAS (125TH BIRTH ANNIVERSARY OF NETAJI SUBHASH CHANDRA BOSE)

Date	23 rd January, 2021
Venue	Seminar Hall
Name of Activity	125th Birth Anniversary of Netaji Subhas Chandra Bose celebrated as 'Parakram Diwas'
Objectives	The goals and objectives of Orientation Programme are: <ul style="list-style-type: none"> • To remember the indomitable courage and sacrifice of Netaji to the nation. • To familiarize students with the life of Netaji • To develop the sense of patriotism in the students.
Coordinator	Ms. Haritima Dixit & Ms. Seema Sharma

On the occasion of Netaji Subhash Chandra Bose's 125th birth anniversary, Modern College of Professional Studies celebrated Parakram Diwas-the day of courage on January 23, 2021 at Seminar Hall. The chief guest was a spiritual preceptor, motivator, philosopher, writer and an educationist "Shriguru" Dr Pawan Sinha and Dr Mithlesh Dixit, President of Madhawi Foundation. The programme started with lighting the lamp in front of Maa Saraswati- goddess of knowledge and garlanded the image of Netaji as an honour by all the dignity. Mr. Vineet Goel, Secretary welcomed Guruji with a shawl, memento, and bouquet of flowers and Dr Nisha Singh, Principal welcomed Dr Mithlesh Dixit in the same manner, she also encouraged and motivated the students with her valuable speech.

Guruji disclosed many secrets of Netaji and mystery of his death and encouraged students to become a courageous leader like Netaji. Dr Mithlesh Dixit also inspired the students with her poetic Hindi verses, instilling the spirit of Netaji in them.

The celebration also included cultural performances, a board decoration activity led by the Department of Education that was observed and evaluated by dignitaries using an evaluation sheet, and the National Anthem.

GANDHI JAYANTI CELEBRATION (POSTER AND SLOGAN COMPETITION)

Date	1 st October,2020
Venue	Seminar hall
Student present	290
Activity	special assembly, Cleanliness drive'
Objective	To recall Gandhiji's important contributions to India's liberation struggle and independence movement.

Modern College of professional studies organized a special assembly on 1st October 2020 to commemorate the national festival, Gandhi Jayanti and celebrate the 150th birth anniversary of our father of nation –Mahatma Gandhi. The auspicious occasion commenced with the felicitation of the Chief Guest of the Day, Dr Nisha Singh, she gave an insight on the significance of promoting and adopting khadi in our daily lives and how the simple spinning wheel, the Charkha became instrumental in uniting India through Swadeshi movement. This was followed by a prayer –an invocation to the Almighty. And join hands to ban the use of single-use plastic. In the end the vote of thanks was rendered by the Dr Dhiraj Singh.

VIJAY DIWAS

Date	16 Dec, 2020
Venue	Seminar hall
Time	10:00 a.m.
Activity	Vijay Diwas
Objective	To honour the valour and sacrifice of the soldiers who laid down their lives in the line of duty during the Kargil War.
Coordinator	Pooja Chauhan

Modern College of Professional Studies celebrated **Vijay Diwas** at seminar Hall on 16thDecember 2020 to commemorate India's victory over Pakistan in 1971. The victory is unique as it was on this day that 93,000 Pakistani troops surrendered to the Indian Army eventuating in subsequent secession of East Pakistan into Bangladesh. The day is also observed in Bangladesh as Bijoy Dibos that marks the country's formal independence from Pakistan.

Chief Guest for the Ceremony was Dr Nisha Singh, Principal (MCPS). The programme started with the lighting of lamp by the principal in front of "Maa Saraswati" (symbol of Education), as lighting a lamp before a ceremony spreads divine grace. The bright flame symbolizes Knowledge, Enlightenment, Positivism and Hope.

The Programme started with a wonderful speech by Sandeep (BBA, III yr.) and a song by Deepak Chaudhary (B.com II yr.). Sandeep explained why we celebrate Vijay Diwas and its importance and Deepak sung a soulful song by paying tributes to the Indian martyrs who laid down their lives for liberating Bangladesh from Pakistan.

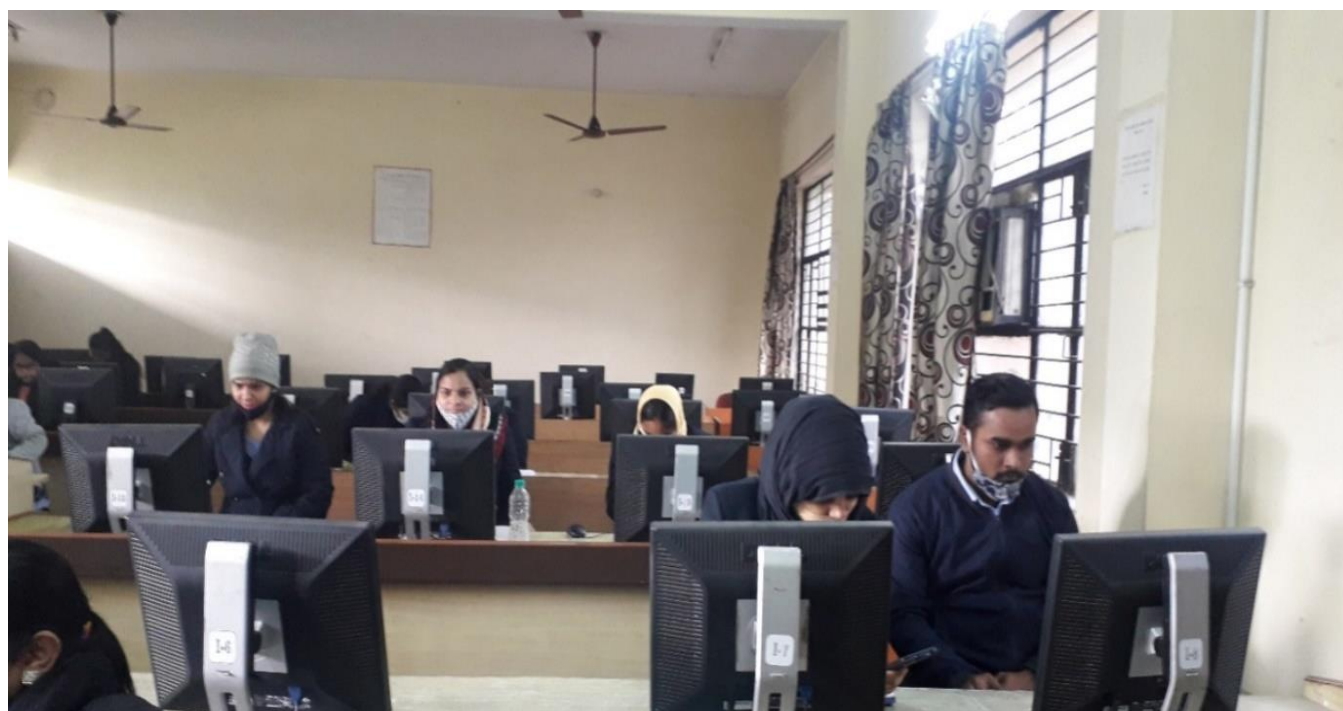

ACTIVITIES CONDUCTED BY WOMEN CELL

7 DAY WORKSHOP ON VARIOUS APPLICATIONS OF GOOGLE AND SUPPORTING APPS

Activity	7 Days Workshop
Topic	Various Applications of Google and Supporting Apps
Date	2- Nov-2020 to 11-Nov-2020
Time	2:00 pm to 4:00 pm
Venue	Computer Lab –offline mode
Participants	15 undergraduate teacher trainees
Objective	To learn how to use Google in the classroom for project, lesson, notes etc/
Instructor	Dr Kiran Joshi

Women cell of Modern College organized 7 Day workshop on various Applications of Google and supporting Apps. This course will focus on various Google ICT tools.

Participants in this session learned how to use Google in the classroom for projects, lessons, notes, assignments, and assessments. Google App is a package of cloud-based services that can provide schools with a whole new way to work together online not just using email & chat, but real time document collaborations and more. There are many different apps that the students can use within the classroom. Google Docs, Slides, Drive, Jam board, classroom, Forms, Input tools. Lab Practice sessions are also provided for them. The training process was incredible and interesting.

BASIC BEAUTY PROFESSIONAL TRAINING PROGRAMME

Name of the course	Basic beauty professional training programme
Intake	35
Duration of the course	Three months (8 th January 2021 to 8 th April 2021)
Pattern of the programme	Short term training course
Entry Qualification	Graduation
Venue	Modern college of professional studies, Mohan Nagar, Ghaziabad
Objective	To inculcate the basic beauty in the students
Instructor	Ms. Haritima Dixit

The professional training programme of Basic Beauty was started on 8th January, 2021, in collaboration with 'The Amrit Manthan Welfare society' at Modern College of Professional Studies, Mohan Nagar, Ghaziabad. 1. Dr Archana Mishra, Associate Professor, Ginni Devi Girls (PG) College Modi Nagar, Ghaziabad
2. Dr Amita Kumari, Young Women Scientist.

PLACEMENT CELL

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms, schools, colleges, institutions, companies and industrial establishments. The Placement Cell operates round the year to facilitate contacts with companies, and institutions. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed schools, institutions, industries, companies to visit the institute to conduct interviews.

We have been successful in maintaining our high placement statistics over the years and the fact that our students bear the recession blues with record breaking placements itself is a testimony to our quality. Our ingenious alumnae have set new standards in the corporate world through their estimable contributions, and it is my firm conviction that we will continue that legacy in the years to come.

OBJECTIVE OF PLACEMENT CELL: The main objective of training and Placement cell to provide personal and career related support to the students with special emphasis on training the students on employability skills and ultimately provide placement in various Schools/ Colleges Industries/Organizations by arranging campus recruitment drives.

SUB-OBJECTIVE OF PLACEMENT CELL

- To assist students to develop/clarify their academic and career interests, and their short and long-term goals through individual counselling and group sessions.
- To prepare students for campus recruitment arranging training in Aptitude tests, mock-test, mock-interviews, Group discussions, preparing for Technical and HR interviews through professional trainers.
- To provide classes for competitive exams like CTET/UPTET etc.
- To promote career counselling by organizing guest lecture by subject-expert and most importantly by the immediately placed senior students.
- To assist students in obtaining placement in reputed companies/ Schools/ Colleges Industries/Organizations.
- To organize on-campus off-campus interviews for final year students and internship (training) for students with industries and reputed institutes
- To maintain regular interaction with industry through Seminars- workshops, and Conferences etc.

ACTIVITIES OF PLACEMENT CELL

- Variety of activities are arranged under the placement cell like Conducting aptitude tests, seminars, Group discussions, guest lecturers by Subject/ Industrial experts and Soft Skill workshop. The placement committee takes efforts to call the companies / Schools/Colleges/Industries/ Organizations for campus placement

TRAINING & PLACEMENT CALENDAR 2020-21

INTRODUCTION ABOUT THE COURSES

Introduction of Bachelor of Business Administration

BBA (Bachelor of Business Administration)

Affiliated to: CCS University, Meerut.

Duration: 3 Years (6 Semesters).

Eligibility: 10+2 or equivalent with minimum 45% marks (40% for SC /ST).

Bachelor of Business Administration (BBA) is a three-year degree course affiliated to Ch. Charan Singh University, Meerut. Since Management is one of the most preferred career options today, BBA is a natural corollary to this preference. At MCPS, this course has been designed to impart basic principles of management to the future managers, so that they achieve a strong grounding in management studies. This is beneficial for students if they pursue higher Studies in Management, or if they pursue any other course that is related to any other aspect of corporate world. BBA at MCPS helps students in developing business and personal competence through their exposure to the real business problems, analysis of cases and industrial visits

Introduction of Bachelor of Computer Application

BCA (Bachelor of Computer Application)

Affiliated to: CCS University, Meerut.

Duration: 3 Years (6 Semesters).

Eligibility: 10+2 or equivalent with minimum 45% marks (40% for SC /ST).

Bachelor of Computer Applications (BCA) is the real opening path for 12th passed students who have a desire to develop as an IT professional. MCPS runs this course under affiliation with CCS University, Meerut. The course has a global focus on its curricula. Lot of emphasis is laid on latest computer applications through different software. The Institute is maintaining a high standard of teaching in classrooms and practical in computer laboratories with highly qualified and experienced faculty.

Introduction of Bachelor of Commerce

B.Com. (Bachelor of Commerce)

Affiliated to: CCS University, Meerut.

Duration: 3 Years

Eligibility: 10+2 or equivalent with minimum 38% marks (Arts & Science), 33% marks (Commerce).

Bachelor of Commerce (B.Com.) degree is the real opening path for 12th students to provide students with a wide range of managerial skills, while building competence in a particular area of business. Most universities, therefore, plan the degree such that in addition to their major, students are exposed to general business principles, taking courses in accounting, finance, economics, actuarial studies, business

management, human resources and marketing; some programs also require business statistics and calculus, and information systems. Depending on the institution, a formal academic major may or may not be established. Bachelor of Commerce degree requires students to take the majority of their courses in business-related subjects. It imparts knowledge of accounting principles, economic policies, export and import law and other aspects which tends to impact business and trade.

Program Specific Outcomes and Course Outcomes of BBA

PROGRAM SPECIFIC OUTCOMES PSO

- PSO 17 : Determine the stages of her product development process.
- PSO 18 : Understand the types of business communication and business letters.
- PSO 19 : Determine the organizational behavior and its conflict.
-
- PSO 20 : Analysis the sampling techniques of collecting primary and secondary data.
- PSO 21 : Understand the methods of collecting primary and secondary data.
- PSO 22 : Analysis the tools and techniques of data.
- PSO 23 : To understand the construction of scaling techniques.
- PSO 24 : Determine the steps involved in design of questionnaire.
- PSO 25 : Analysis and preparation of project report for the Functional areas of research

Course outcomes

The students are able to-

- Describe the knowledge of Basic English Grammar and Tenses.
- Write down the Construction of Paragraph and Essay writing
- Classify the Business Letters.
- Describe the Essential of and offer effective business letter
- Identify the Job Application Letter
- Write down the Bio-data
- Describe Business Environment analysis and diagnosis give businessmen time to anticipate opportunities.
- Describe the process environment analysis.
- Write down points to be business environment analysis helps to forecast the future prospects of the business concern.
- Describe the Corporate communication
- Write down the format of office circular
- Clarify the types of Advertisement in the business
- Write down the guidelines in managing in E-mails.
- Describe the useful information to student's business activities in future.
- Write down the point to know the financial position of the business students.
- Discover & prevent errors and frauds in business students.
- Write down the point to know the Assets & liabilities of the business firms for business students.
- Find out the correct cost of production in business students.
- Classify the reports by company secretary statutory and other reports.
- Write down the reports on problem opportunities in business.
- Classify the essentials in writing minutes of meeting.

- Classify the art of summarizing reports.
- Classify the Management by objectives helps for the better management of resources and activities of an organization.
- Describe the Effective plans co-ordinate the organizational work and eliminate unproductive effort.
- Classify the division of work leads to efficient performance of duties.
- Write down the point to help Training gives an employee confidence.
- Clarify the significance of diagrams and graphs.
- Identify the objectives and types of Average.
- Describe the Mean. Median, Mode.
- Write down the methods of depression, Quartzite deviation.
- Classify the some ability to recognize situations in a production system environment that suggests the use of certain quantitative methods to assist in decision making on operations management and strategy.
- Understand how Enterprise Resource Planning and MRPII systems are used in managing operations.
- Write down the points of increase the knowledge, and broaden the perspective of the world in which you will contribute your talents and leadership in business operations.
- Describe the Communicate effectively in a variety of organizational settings.
- Describe the complex qualitative and quantitative data to support strategic and operational decisions.

- Classify the Work independently and collaboratively in inter and/or multi-disciplinary and diverse environments.
- Write down the point to Use creative, critical and reflective thinking to address organizational opportunities and challenges.
- Describe the Demonstrate ethical and socially responsible behavior.
- Describe the law and commercial law rules and regulation.

- Identify the contract and its classification of contract.
- Write down the essential of a valid contract.
- Describe the capacity of parties and incapacity of parties in contract.
- Write down the sale of good act.
- Identify the transfer of property.
- Identify the agent, and its types of agent, duties right of an agent.
- Describe the companies act and type of company, characteristic of company.
- Describe the concept of financial management and its function
- Identify the principles of capital structure
- Identify the source of finance
- Describe the working capital management and its techniques of forecasting in working capital.
- Describe the concept of cost of capital and its classifications
- Identify the determination of cost of capital
- Write down the characteristics of budgetary control
- Identify the preparation of production, sales, cash budget, flexible budget

Program Specific Outcome and Couse Outcomes of BCA

PROGRAM SPECIFIC OUTCOMES

- 1:** Focuses on preparing student for roles pertaining to computer applications and IT industry
- 2:** Start from the basics and in every semester learns each and everything about computers.
- 3:** Develop programming skills, networking skills, learn applications, packages, programming languages and modern techniques of IT.
- 4:** Get skill and info not only about computer and information technologybut also in common, organization and management.
- 5:** Learn programming language such as C, C++, Java, HTML etc.

- 6: Information about various computer applications and latest development in IT and communication system is also provided.
- 7: Gives overview of the topics in IT like networking, computer graphics, web development, trouble shooting, and hardware and software skills
- 8: Bachelor in computer applications (BCA) gives a number of opportunities to individuals to go ahead and shine in their lives.
- 9: A few of them being like software programmer, system and network administrator, web designer and faculty for computer science and computer applications

Course Outcomes:

The students are able to-

- Give an introduction to digital computer and their fundamental architectures.
- Define the function units of computer architecture, Input and Output peripheral devices and their communication with the rest of the computer components.
- Find the various instruction type and addressing modes used for programming
- Define the functionalities and organization of processor units and their types.
- Understand the basic programming unit and execution of instruction
- implement computer arithmetic algorithm in signed magnitude data with hardware
- Comprehend the need for improving cache perform and memory organization, hierarchy and organization.
- Make aware of RAM, ROM, COST, SIZE, CACHE and virtual memory.
- Grasp the different secondary storage devices.
- Give an introduction about DBMS, data models, a schema, E-R diagram, relational database and benefits of database.
- Design a good database using normalization, decomposition and functional dependency
- Understand the concepts of database architecture, client server architecture, parallelism concepts and distributed database concepts
- Learn about indexes, sequences, data integrity, creating and maintaining tables and user privileges
- Understand the basic concepts of PL/SQL programming, cursors, triggers, packages, procedures, functions and transactions
- Know develop the software project
- Learn developing methodology of software project
- Understand tools and techniques of software engineering
- Verify and validate the problem of software programming
- Maintain the quality of software project
- Learn fetch the data easily from large value of data
- Understand the tools and technique of data mining
- Able to apply data mining techniques in various application and its case studies

- Know the architecture of data ware house and its application
- Understand the concept of online analytical processing (OLAP) and its implementation.
- Understand the basic oops concept. Java evaluation and implementation overview of java
- Know operators and expressions, decision making and branching, Decision making and looping
- Understand classes and methods, array strings and vectors, interface concept instead of multiple inheritances
- Manage errors and exceptions handling, packages of java, multithreaded programming contains synchronization,
- Perform applet programming designing HTML, graphic programming
- Learn the basic and introduction of computer, structure of c and control structure
- Know arrays, arrays types, string handling functions
- Understand user defined functions, categories of function and recursion, structures and unions
- Know the concept pointers, file handling, input output operations.
- Use the classification of data structure about abstract data type, stack and queue
- Know the principles of oops concept and control structure
- Analyze the concept of classes and object, array, functions, constructor and destructor
- Understand the concept of inheritance and classification, pointers virtual function and polymorphism
- Able to work with files, file pointers and its manipulations
- Know the concept of function templates and exception handling
- Know the basic of network, network type's reference model and layers in network
- Understand the routing algorithm and protocols that are used in network communication
- Learn the different types of protocols such as RPP, DHCP, ARP, RAP.
- Try to tackle various information security techniques to safe guard the valuable information from one end to another.
- Apply the concept of networks in various fields.

Program Specific Outcome and Course Outcomes of B.Com

PROGRAM SPECIFIC OUTCOMES

Also we in our teaching practice focus on the following attributes along with the academics:

Graduate Attribute	Academic Abilities	Personal Qualities	Transferable Skills
Subject Specialists	Understand the concepts, principles, methods and practices of their discipline	Possess breadth and depth of knowledge within their discipline, and more particularly within their chosen specialization; be aware of recent developments in the area	Possess discipline-relevant professional and workplace knowledge, skills and competencies
Independent Thinkers	Identify and assess issues and ideas in their discipline	Exercise critical judgement in evaluating sources of information	Apply creative, imaginative and innovative thinking and ideas to problem solving
Reflective learners	Use feedback from teachers and mentors, productively and positively to evaluate their work and achievements	Set aspirational goals for continuous personal, professional and career development	Identify and articulate their skills, knowledge and understanding confidently and in a variety of contexts
Resourceful and Responsible	Are experienced in self-directed learning	Are motivated, conscientious and self-sufficient individuals capable of substantial independent work.	Manage their personal performance to meet expectations and demonstrate drive, determination, and accountability
Effective Communicators	Articulate ideas according to the needs and abilities of diverse audiences	Present their ideas clearly, concisely and effectively in good written and spoken English	Communicate clearly, confidently and effectively

Confident	Defend their ideas in discussions with peers	Possess excellent interpersonal and social skills	Demonstrate enthusiasm, leadership and the ability to Positively influence others.
Adaptable	Experience multidisciplinary and/or interdisciplinary learning	Respond flexibly and adapt their skills and knowledge to excel in unfamiliar situations	Demonstrate resilience, perseverance and positivity in multi-tasking, dealing with change and meeting new Challenges.
Ethical	Consider and act upon the ethical, social and global responsibilities of their Actions.	Respond positively and exhibit high levels of tolerance to multi-cultural experiences, opportunities and ways of thinking	Have a practical and contemporary knowledge of relevant professional, ethical and legal frameworks
Socially aware	Be aware of current social Issues	Display empathy and understanding of social problems and use their knowledge, time and resources to help mitigate these problems	Have an attitude of compassion and generosity towards less privileged sections of society and the environment

PROGRAMME SPECIFIC OUTCOMES

The program will provide them with adequate knowledge and skill to provide consultancy services in commerce related job areas and to make them more competent in their respective jobs. It will help to communicate effectively on commercial aspects with the society at large.

A B.Com. student can explore numerous career options after obtaining the degree. Students either can start their own venture or look for job prospect in the area of accounting, marketing, banking, stock broking, secretarial practices etc.

They can become accountant, auditor, tax auditor, manager, statistician, accounts clerk, cashier etc.

Also, Graduates of the B.Com. programme will

- Have a clear understanding of the concepts, principles and practices of their area of specialization
- Have comprehensive knowledge of their area of specialization
- Have critical thinking skills, which will enable them to understand, appreciate and critically
- Can evaluate real world developments in the field of commerce.
- Will acquire the analytical skills required to analyze budgets, financial statements, annual reports and other business documents.
- Will have the necessary practical skills such as computerized accounting.
- Will have the soft skills and communication ability required for the workplace
- Be able to take up professional courses such as CA, CS, CMA and higher learning options such as M.Com., MBA and Postgraduate programs in related areas
- Be able to establish and manage a business effectively.

Course Outcomes

The students will have advanced knowledge in the field of business and management and will acquire the basic skills required for carrying out business activities, research, stock market operations, accounting practices, etc. The program also provides them with adequate knowledge and skill to provide consultancy services in finance and marketing. Students can confidently prepare for CA, CS, Banking, Civil, etc.

Subject	Outcomes
Business Communication	Students are expected to be able to demonstrate a good understanding of effective business letter writing, information collection, developing and delivering effective presentation.
Business Statistics	Students are expected to be able to produce appropriate graphical and numerical descriptive statistics, analysis and interpretation of various data through use of different statistical tools and techniques.
Financial Accounting	Students are expected to be able to maintain books of account and produce financial statements of the organizations
Business Regulatory Framework	To acquaint students with the basic concept, terms & provision of business laws affecting business, trade and commerce
Business Economics	To develop the understanding of core economic terms, concept & theories to solve the micro & macro-economic problems
Business Environment	To develop the understanding of business environment and its impact on business, trade & commerce
Company Law	To develop the understanding of basic and broad knowledge of company laws and provisions.
Cost Accounting	Students are expected to be able to maintain costing records, cost statement, reconciliation of cost, accounting with financial accounting profit.

Income Tax	Students are expected to be able to know the various provisions of the Act and time to time amendments.
Fundamentals of Entrepreneurship	To provide the basic idea of entrepreneurship, identify entrepreneurial opportunities, explore entrepreneurial leadership and management style.
Public Finance	To develop the understanding of public finance and policy, tax policy principles and reforms. This subject provides critical approach to examine the principles, processes and outcomes of revenue and expenditure of government.
Corporate Accounting	Students are expected to know the accounting procedures followed by companies in conformity with the provisions of companies act
Auditing	To develop the understanding of audit concept, its rules, regulation, procedure applicability and report writing.
Principle of Marketing	Students are expected to know the fundamental marketing concepts, theories and principles in areas of marketing policy of market, consumer behavior of product, distribution, promotion and pricing decisions.
Economic Laws	This subject aims to recognize the economic issues in a legal problem and apply the economic way to thinking to analyze it. Assess the efficiency effects of legal rules and policies.
E-Commerce	To develop the understanding of the fundamentals and importance of E-Commerce. Students will learn how e-commerce concepts are applied to different fields like education, banking, tourism, retail and so on.
Management Accounting	Students are expected to know the conceptual framework of management accounting and develop the ability to collect, analyze and communicate quantitative and non-quantitative information to assist management in effective planning and control decisions.

LABS IN DEPARTMENT

The Laboratory is a place where students convert their theoretical knowledge into practical knowledge for development of all round aspects of students. Laboratory training is frequently used to develop skills necessary for more advanced study or researches.

The college has the following labs-

1. ICT RECOURSE CENTRE

The college has well-equipped fully air-conditioned Computer labs. The computers are installed with latest i3 Processor and Latest Equipment. It has a computer lab with a large number of computers for providing knowledge to students. Our labs are equipped with internet facilities and networking so that the faculties and students can keep themselves updated.

	Computer			Technology Updated	Internet Facility
	PC	Laptop	Projector		
Educational Technology Lab	21			Ms. Office (2013 & 2016)	Yes
Computer Lab	48	1	1		Windows (2008 & 2010)
ICT based class Room	1		5	Tally ERP 9.0	
Total	70	1	6	Anti-Virus: Quick Heal	

2. LANGUAGE LAB

The twenty-one-terminal lab is equipped with the latest, automated language lab system having the facility of voice recording, playback, one-on-one interaction etc. It is extremely beneficial for language learning and the enhancement of effective communication skills. The language lab is powered by Orell's digital language lab.

Total Computer	Software
20 Client + 1 Server	iTELL Digital Language Learning Solution

3. WORK- EXPERIENCE LAB

Early career students and creative practitioners can push boundaries, take creative risks, and develop concepts for works that respond to the unique potential of audiences at the college. Teachers will be encouraged to consider new approaches to work presentation for large-scale public events, as well as the logistics of scaling up for complex and ambitious projects in an outdoor setting.

LIBRARY

The college library supports the university's academic and research programmes by meeting the information requirements of students, researchers, faculty, and institutions. The library's services are offered electronically on users' desktops, in an IT and Wi-Fi enabled campus. It has a well-furnished and efficiently organized Library. It is well stocked with latest editions of Books by eminent authors on various titles to cater the needs and requirements of its readers. The college also provides the facility of Book-Bank to the student. It has rich collection of books including textbooks, reference books.

LIBRARY/ INFRASTRUTURE FACILITIES (Updated)

S. No	Details	Total Available
1.	No. of Textbooks	8329
2.	Reference Books	2414

Academic Activities

Add-On Courses

Currently we are providing some add-on courses for the session 2017-18 that are subdivided into broadly three categories namely Art & Craft, Professional Communication and Fundamentals of Computers & IT, Beautification, Textile.

All the students are given fair chances to participate in any number of activities of their choice.

Art & Craft

Art & craft stimulates creativity and imagination. It provides visuals, tactile and sensory experiences and a special way of understanding and responding to the world. It enables students to communicate what they see, feel and think through the use of color, texture, form, pattern a different materials and processes. Students become involved in shaping their environments through art & craft and design activities. They learn to make informed judgment and aesthetic and practical decision. They explore ideas and meaning through the work of artists and designers. Through learning about the roles and functions of art, they can explore the impact it had on contemporary life and that of different times and cultures.

Computers & IT

The course covers essential aspects of identifying, formatting, navigating the key concept related with the COMPUTER & IT.

The student from every course (BBA, B.Ed.) is included in this programme. It will enable the students to learn basics typing skills, word processing, spreadsheet and graphs, database management, internet searching, e-mail etc. This will make the students more dynamic in the market.

It will enable the student to understand the importance of learning computer and thereby making them technologically educative which will help them to cross the boundaries of their country.

- Students will demonstrate the ability to produce a technical document.
- Students will demonstrate the ability to give an effective presentation using visual aids and/or software demonstrations.
- Students will demonstrate the ability to extend current knowledge and/or skills to a computing environment or problem currently unknown to the student.
- Students will develop and demonstrate the ability to work effectively in a group on a common problem.
- Students will apply their technical knowledge and skills to develop and Implement computer solutions that accomplish goals important to the industry, government or research area in which they are working. They will explore and integrate new technologies.
- Computer Science Students will have sufficient depth of understanding of the fundamental areas of computer science to enable them for success in today’s workplace.
- Computer Science Students will be sufficiently prepared to be innovative and ethical leaders in a global society.

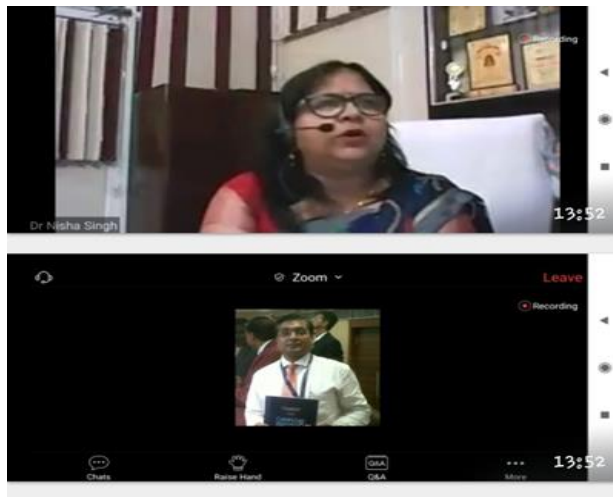

ONLINE WEBINAR ON ECONOMIC, SOCIAL & ENVIRONMENTAL DIMENSION OF COVID19

Date	17, May 2020
Venue	Online Through Zoom
No. of days	1
Name of Activity	Online webinar on “Economic, Social & Environmental Dimension of Covid19”
No. of Participants	250

An online webinar was organized by BBA department of Modern College of Professional Studies, Mohan Nagar, Ghaziabad on 17-5-2020 through Zoom on the topic “Economic, Social

& Environmental Dimension of Covid19” and “A Conference on triple bottom line Analysis and future of Entrepreneurship after Covid-19”.

Participants from all over India (mainly from Maharashtra, Odessa, Tamil Nadu, Delhi, Haryana etc..) got themselves registered. A total of 506 Participants got registered and the webinar was attended by approximately 250 participants... E- Certificate was provided to all the participants.

BASIC BEAUTY PROFEFESSIOAL TRAINNING PROGRAMME

**(IN COLLABORATION WITH AMRIT MANTHAN WELFARE SOCIETY,
GHAZIABAD)**

REPORT

MAIN FEATURES OF THE PROGRAMME-

NAME OF THE COURSE	BESIC BEAUTY PROFESSIONAL TRAINNING PROGRAMME
INTAKE	35
DURATION OF THE COURSE	THREE MONTHS(8 th January to 8 th April,2021)
PATTERN OF THE PROGRAMME	SHORT TERM TRAINNING COURSE
ENTRY QULIFICATION	GRADUATION
VENUE	MODERN COLLEGE OF PROFESSIONAL STUDIES,MOHAN NAGAR GHAZIABAD,
OBJECTIVES	<ul style="list-style-type: none">• The objectives of the beauty course are to develop in the trainees the practical skills, theoretical knowledge and professional attitudes necessary for success in the professional and personal life.• Produce a capable and skillful workforce as required by the prevailing market demands.• Equip the trainees with skills, attitude and knowledge to ensure adherence to safety measures in solons.
INSTRUCTOR	Ms. Haritima Dixit

The professional training programme of Basic Beauty was started on 8th January, 2021, in collaboration with 'The Amrit Manthan Welfare society' at Modern College of Professional Studies, Mohan Nagar, Ghaziabad. The duration of this programme was three months. The

Orientation Program of this course was held on 8th, January, 2021, Orientation Programme was inaugurated by Dr Nisha Singh, principal of Modern College of Professional Studies, and secretary of 'The Amrit Manthan Welfare Society, Ghaziabad. She introduced Trainees about the Amrit Manthan Welfare Society and utilities of Basic Beauty Program in present scenario. Eleven Trainees were enrolled in this professional program. This program was instructed by Ms. Haritima Dixit.

Trainees demonstrated learned content of the Basic Beauty Programme at the closing ceremony.

Brilliance of Basic Beauty Programme

NEED ANALYSIS-

It is realized on the basis of common observations that certain type of specific job situations like Business executives, Air Hostesses, Sales executives, Hotel managers, T.V artists, Stage actor, Exhibition executives, need some distinguished types of Hair dressing, Make-up, and Beauty Treatment for which they have to consult practitioners in the field. The number of such professionals in the field is limited and scattered in the form of Barber shops, Beauty Parlors and the like; with inadequate technical knowledge.

Some social functions like marriage ceremony needs dressing of Bride and participants. Cultural functions like Drama, One Act Play etc. also require trained personnel for make –up.

Moreover it's a natural urge for every human being to present himself/herself in the society with as much beautifulness or handsomeness as possible and with Education and Training one can look more pleasing and impressive. It's hoped that this curriculum on implementation in right spirit and with right direction will produce competent and right types of middle level manpower to fulfill Beauty and Skin care needs of the society.

LIST OF EXPERTS

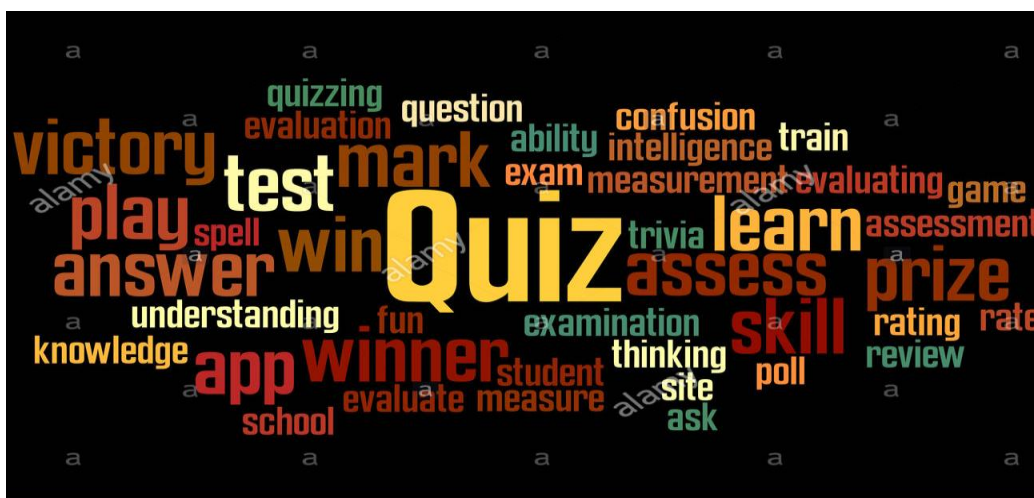

List of Experts whose contribution helped for conducting this curriculum for three months Programme in Basic Beauty are honorably named below-

1.Mr. Vinit Goel Secretary	Modern College of Professional Studies, Mohan Nagar Ghaziabad,
2-Dr. Nisha Singh Principal	Modern College of Professional Studies, Mohan Nagar Ghaziabad, Amrit Manthan Welfare Society,
3-Dr Kanak Rani Assistant Professor	Modern College of Professional Studies, Mohan Nagar Ghaziabad,
4-Dr. Rekha Sharma Assistant Professor	Modern College of Professional Studies, Mohan Nagar Ghaziabad,
5-Dr. Kiran Josh	

Assistant Professor	Modern College of Professional Studies, Mohan Nagar Ghaziabad,
6- Haritima Dixit Assistant Professor Instructor/Beautician	Modern College of Professional Studies, Mohan Nagar Ghaziabad, Trained and certified by Dr. Bharti Taneja's academy

INTER-DEPARTMENTAL QUIZ COMPETITION
On
“Business and Economics”

Date	25 th January 2021
Venue	HALL NO- 309
Timings	2:30pm to 4:00pm
Organized By	MANAGEMNET AND COMMERCE DEPARTMENTS

Rules and Regulations:

1. The medium of offline quiz is English
2. The participant will tick only one correct answer among the 4 option.
3. There is no negative marking
4. Each participant would be given 1.30 hour for tick the correct option
5. It is mandatory for the participant to use only blue black and blue ball pen.

Winners: The winners were selected by the evaluating the answer sheet on the basis of sheets provided to them. Three students were selected as a winner.

- **Ist Prize - Sandeep (BBA 5th Sem)**
- **IInd Prize – Anup Kumar (BBA 3rd Sem)**
- **IIRD Prize – Yash (BBA 3rd Sem)**

Online G.K Quiz Competition

DATE	2 nd JANURAY 2021
TIME	2.30PM TO 4.00PM
CONVENER	Ms. KALPANA SINGH
ORGANISING DEPARTMENT	MANAGEMENT AND COMMERCE DEPARTMENTS
NUMBER OF PARTICIPANTS	Total 36 students of BBA and B.Com.
PURPOSE AND OBJECTIVES	A Golden opportunity for Students of BBA/B.COM to explore & improvise their General Knowledge skills. Besides the obvious academic benefits of expanding a student's knowledge and exploring new skills at an early age, quizzes redefine the education system in significant ways

OUTCOMES & OBJECTIVES ACHIEVED - This Quiz helped students identify what they know and what they don't know. The students then have a better idea of how well they are grasping the material, hopefully motivating them to study more and helping them allocate their study time effectively by focusing on the information that still needs more practice.

OBSERVATIONS & SHORTCOMINGS – The participation in offline line Quiz showed that the students really like these platforms in which they can take part

hassle free. It's low costing, time saving & more accurate in data wise however some students are not technology friendly so the offline concept is good for those who are not technology friendly.

RECOMMENDATIONS FOR FUTURE IMPROVEMENTS - The future of quizzing lies in our desire to transform learning for our students. While the tools are in abundance, the focus needs to be on the content. Quizzing is not just about GK, but about connecting the dots, reading between the lines and arriving at a conclusion. It needs to focus on logical reasoning.

Event Coordinator & Retained by: - Ms. Kalpana Singh

Principal: - Dr. Nisha Singh

I.T. FEST (ETHICAL HACKING)

Date	28 th January 2021
Time	10:00 A.M.
Venue	Seminar Hall
Organized by	BCA Dept
Subject	"ETHICAL HACKING"

An authorized attempt to gain unauthorized access to a computer system, application, or data is referred to as ethical hacking. Duplicating the strategies and actions of malicious attackers is part of carrying out an ethical hack. This practice aids in the detection of security flaws, which can then be addressed before a malicious attacker can exploit them.

The IT fest was started at 10:00am at the college seminar hall with the staff members and all students presented in the guidance of the principal Dr. Nisha Singh with a common goal to learn something valuable. The fest began with lamp lighting session for which Ms Sangeeta welcomed Principal Dr. Nisha Singh and the HODs of all the departments to come on the stage and give a tribute to Maa Saraswati the goddess of Education.

Lamp Lighting by Dr. Nisha Singh (Principal, MCPS)

The BCA/BBA/B.COM final year students organized this event under the guidance of Mr. Arvind Kumar Pandey, Head of the Department of Computer Applications. The objective of this event was to provide various ideas on protection of network and reveal skillfulness on ethical hacking.

During this event, Sumit (BCA 5th sem) various issues related to Ethical Hacking were discussed. Ethical Hacking is the official method to hack systems and find loop holes in existing security systems, networks applications. Issues that are raised in this process are used in research and development for developing high security systems. During the development of the Internet, computer security has become a major concern for industry. Companies want to take advantage of the Internet for electronic commerce, advertising, information distribution and access, and other pursuits, but they are also worried about the possibility of being "hacked." Concurrently, the potential customers of these services too are worried about maintaining control of personal information that varies from credit card numbers to social security numbers and home addresses.

Second half session Krishna and Roshan (BCA 5th Sem) highlighted the necessity of a hacking report to be confidential, as its leak can make the organizations face security risks. If this goes wrong in any way, it may prove fatal for the organization or lead to penalties and loss. Ethical hacking is done by hackers on owner's request, primarily, in corporate companies and organizations. Ethical hacking techniques may be used for game cheat codes, hacking accounts and for other good results; but for the most part it is used for fighting against cyber terrorism and to take preventive action on hackers.

In the last, Abhishek Shandaliya and Vishal (BCA 5th Sem) practically done. Ethical Hacking and the students posed many queries which were resolved by him very adroitly. Overall, event was very interactive and informative for students.

Coordinator

Ms. Sangeeta Kumar

Syllabus Contents of Work Shop

1. Hacking – introduction
2. Hacking – history
3. Types of hacking
4. Why security needed?
5. Ethical hacking
6. Basics of internet, networking
7. Basic structure of hacking
8. Server
9. IP address

Practical

1. How to secure password?
2. Cryptography (encryption & decryption)
3. URL access
4. Special keyword on Google
5. How to hide IP address?
6. D Dos attack (slow down the website)
7. How to know IP address of website?
8. Bull attack
9. How to increase followers (social network)?

Robotics Workshop 2021

Date	12 th February 2021
Time	1:00-3:00 pm
Venue	Lab,Modern College of Professional Studies, Mohan Nagar
Total Entries	49
Organized by	Department of Computer Application
Subject	Robotics and its applications

How it will be useful to students: -

There is considerable anecdotal evidence that students respond well in subjects involving programming of robots. Programming can be too abstract. By having to control a physical robot and seeing what goes wrong, students learn what robots can and cannot do. They also learned the need for precise instructions. There's no doubt that there will be a need for people to be involved in programming mechanical devices in the foreseeable future. By programming robots, students can discover if they have aptitude and interest in a job market of the future.

Introduction

A one-day workshop on Introduction to Robotics and Arduino coding for the students of 1st level undergraduates was organized on 12th February 2021 under the banner of BCA at Modern College of Professional Studies. This workshop comprises of giving the participating students an idea about Robots, Robotics, Types of Robots and their applications, Career in Robotics, Introduction to Arduino, Introduction to Bluetooth RC Car, live demo of building Bluetooth RC car, test running this car, doubt clarification session, last notes and conclusion.

Details of Workshop

On 12th February 2021, BCA/BCA/B.COM department of MCPS conducted the workshop on “Introduction to Robotics and its applications. First Dr. Sachin Kansal presented a keynote on “Introduction to Robots and Robotics”; “Introduction to Arduino and its IDE “and simple applications of Arduino on LED and its coding. The example comprises of “S.O.S Morse Code” and “Traffic light Signals” using LED.

In the first session students got familiar with the term Robot, how to identify whether a machine is a Robot or an autonomous boot, Robotics, Aspects of Robotics, philosophy of AI (Artificial Intelligence), Brief on Machine Learning and types of Robots. Informative videos from Boston Dynamics were shown to students.

In the next part a brief introduction to Arduino was given to students. They got familiar with various development boards and learnt the development environment for Arduino. Working with Arduino I/ O pin was taught and functions of various embedded components were explained. Later simple application of Arduino like blinking LED and its coding was explained.

In the last part of the session, more applications of Robotics were explained and showed. Applications included “S.O.S Morse code” u sing simple LED and Arduino coding; “Traffic Light Signaling” using LED and Arduino coding.

In the meantime students were free to ask any questions regarding the domain if they had any doubt about any topics explained. Students without any hesitation asked questions and after hearing answers from our presenters they were satisfied. Overall student learnt the basics of working with Arduino and gained basic knowledge of various Arduino development boards; Programming environment; onboard features of Arduino Uno.

The team of one Day Workshop on introduction of robotics wishes to thank all participants who have actively joined in the workshop and assisted in one way or another for the initiatives to spread the embedded system and robotics education in the computer application. We sincerely thank them all. We would also like to express our gratitude to the Modern College authority for their role in ensuring the success of the workshop.

CULTURAL ACTIVITIES

INTERNATIONAL YOUTH DAY

Theme: "YUVAAH – Utsah Naye Bharat Ka"

Brief Introduction Of Swami Vivekananda Ji

Swami Vivekananda, also known as Narendra, was a great thinker, great orator, and passionate patriot. He does not require any sort of introduction. He is an influential personality who is credited with enlightening the western world about Hinduism. National Youth Day is observed on 12 January to commemorate the birth anniversary of Swami Vivekananda.

Session started with the lamp lighting by Dr. Nisha Singh (the principal) and Heads of Departments of commerce and management. The whole programme was divided into two halves. In the first half, students from B.ed. and D.el.ed participated in the event and presented their views on Vivekananda's thought. In the second half, students from BBA, B.Com. and BCA department participated in different sport activities like Treasure Hunt, Rope Pulling, Frog Race and Class Decoration.

The principal gave her views on Vivekananda's life and aware students about his thoughts. She also told the reason to the students why 12th January is celebrated as National Youth Day. Ms. Bhakti Tiwari student from BBA 5th Sem did the anchoring for this programme.

Participants from BBA, B.COM and BCA department in the activities given below:-

- **Treasure Hunt**-In this activity there were two teams A and B both teams had 10 members each and they had to find out the winning prize under the supervision of Ms.Nidhi Chauhan and Ms.Neha Singh.
- **Rope Pulling**-In this there were two teams with total of 12 students, 6 students in each team. This was supervised by Mr.Anuj Sharma and Mr. Ashish Diwakar.
- **Frog Race**- in this there were total 10 students participated in frog race this activity was supervised by Mr. Arvind Kumar Pandey & Mr. Vijendra Singh.
- **Class Decoration**- In this activity there were total 16 students who had to decorated BBA, B.Com. & BCA class rooms. This activity is supervised by Ms.Nirmala Dhek, Ms. Pooja Chauhan & Ms. Sangeeta Kamari

Session ended with the vote of thanks given by Ms. Nidhi Chauhan HOD of Commerce Department.

Yoga Camp

Date	28 Oct to 30 Oct 2020
Time	8.00 A.M TO 9.30 A.M
Venue	Modern College of Professional Studies ,Ghaziabad
Yoga Instructor / Recourse Person	Acharya .Himanshu ji and Team
Name of Co-coordinator	Mr. Ashish Singh/ Ms. Nirmala Dhek
No. of Student attended the Programme	70+
Objective	To make the student aware about yoga and make them able to know, learn and practice the different <i>yogaasanas</i> by which they will fit mentally and physically in their practical life.

The three-day yoga camp was held on the M.C.P.S. campus from October 28 to October 30, 2020 at 8.00 A.M. To 9.30 A.M. All the students and faculty members were assembled in college ground. Dr Nisha Singh, Principal, welcomed and introduced the Yoga Instructor Acharya Himanshu ji and Team to the students. She addressed the participants and shared her views regarding Yoga. She emphasised the importance and role of Yoga in every individual's life and routine schedule in order to keep us physically and mentally fit. In their hectic daily lives, everyone should practice yoga asana every day. After that **Yoga Instructor Acharya Himanshu ji** enlightened the participants about different yoga asana of Indian heritage. He explained how these asanas can help us reduce various medical problems such as Thyroid, Diabetes, Stomach Ailments, and so on. He also taught the participants how to live without stress and how to live a peaceful life.

Few asanas were demonstrated by Acharya ji which are listed below:

- **Tadasana (Mountain Pose)**
- **Vrikshasana (Tree Pose)**
- **AdhoMukhoSvanasana (Downward Facing Dog Pose)**
- **Trikonasana (Triangle Pose)**
- **Kursiasana (Chair Pose)**
- **Naukasana (Boat Pose)**
- **Bhujangasana (Cobra Pose)**
- **Paschimottanasana**
- **Anulom Vilom (Inhale- exhale)**

The **second day** the camp again started as usual with morning prayers & followed by the practices of asanas by students as well as faculty members under the supervision of yoga instructor. The last day of the yoga camp schedule was followed as usual, with the Principal Madam honouring the Yoga Instructor Acharya Himanshu Ji and his team with a bouquet, diary, and memento.

CHILDREN'S DAY 2020

November 14 -2020

Children's Day is celebrated each year on November 14 in India as a tribute to the country's first Prime Minister Jawaharlal Nehru.

Modern college of professional studies organized children's day programme on November 14, 2020.

The formal program started with a prayer and welcome speech. The students of the college performed non-classical dance and action song. Personal hygiene education was delivered by demonstrating various hygienic techniques. The prizes for game winners were distributed.

Dr. Nisha Singh, principal of the college addressed the gathering and appreciated the program. The students organized various games for the children. The program came to an end with the distribution of sweets to the school children and teachers. All the children actively participated in the games and enjoyed the event.

VIJAY DIWAS

Date	16 December 2020
Time	10:00 A.M.
Venue	Seminar Hall
Coordinator	Nidhi Chauhan

Modern College of Professional Studies celebrated **Vijay Diwas** at seminar hall on 16th December 2020 to commemorate India's victory over Pakistan in 1971. The victory is unique as it was on this day that 93,000 Pakistani troops surrendered to the Indian Army eventuating in subsequent secession of East Pakistan into Bangladesh. The day is also observed in Bangladesh as Bijoy Dibos that marks the country's formal independence from Pakistan.

Chief Guest of the ceremony was Dr. Nisha Singh, Principal of Modern College of Professional Studies. The programme started with the lighting of lamp in front of "Maa Saraswati" (symbol of Education), as lighting a lamp before a ceremony spreads divine grace. The bright flame symbolizes Knowledge, Enlightenment, Positivism and Hope.

The Programme started with a wonderful speech by Sandeep (BBA,III yr.) and a song by Deepak Chaudhary (B.com II yr.). Sandeep explained why we celebrate Vijay Diwas and its importance and Deepak sang a soulful song by paying tributes to the Indian martyrs who laid down their lives for liberating Bangladesh from Pakistan.

Sandeep (BBA, IIIrdyr) and Deepak Chaudhary(B.Com IIndyr)

Students from different departments also participated in the programme and expressed their views. Students also shared quotes, slogans of great personalities to pay tribute to brave hearts.

At the end of the programme chief guest Dr. Nisha Singh (Principal, MCPS) recalled the sacrifices and the act of bravery by Indian army under the leadership of General Jagjeet Singh Aurora. She motivated participants to remember the sacrifice of those brave soldiers who died in the line of duty to protect our great nation and keep alive the zeal to sacrifice for nation.

Finally, the programme concluded with the lighting of candles to honour martyrs who gave their lives for their country.

Orientation Programme

Date	09th October, 2020
Venue	Seminar Hall
No. of days	1
Name of Activity	BBA & BCA Orientation Programme
Anchor	Mrs. NirmalaDhek

Objectives of Orientation Programme:

The goals and objectives of Orientation Programme are:

- To introduce students to college services which will support their educational and personal goals (ex. library, information technology, and academic and student services departments)?
- To facilitate initial academic advisement, course selection, and registration.
- To familiarize students with the campus environment and physical facilities.
- To create an atmosphere that minimizes anxiety, promotes positive attitudes, and stimulates an excitement for learning.
- To provide a welcoming atmosphere for students and families to meet faculty, staff, and continuing students, as well as other new students.
- To provide the families of new students comprehensive information about the academic and student service resources and programs.
- To provide employment, leadership, and learning opportunities for continuing students as pack leaders, through selection, training, and supervision.

The day began with new feelings, curiosity and anxiety. Mrs. Nirmala Dhek was the anchor for the whole programme. She gave a warm welcome to Dr. Nisha Singh (Principal), all faculty members, students of BBA & BCA and everybody gathered in the seminar hall. She also told about the aim of life and how to face tough times cheerfully.

After that, Mrs. Nirmala Dhek invited respected Dr. Nisha Singh (Principal), HODs and all the dignitaries for lighting the lamp in front of “*Maa Saraswati*”, symbol of Education. The bright flame symbolizes Knowledge, Enlightenment, Experience and Hope. This flame lightens everything with Hope and Positivism.

This programme was followed by a Power-Point Presentation in order to give an overview about the college campus along with introduction and qualification of faculty members. This was done to acquaint the students with the staff and facilities being availed in the campus. After that Programme was going on according to decided schedule.

In the last of the Session all the new students gave their introduction. Everybody enjoyed a lot and appraised the students with applaud.

The One Day Orientation Programme finally came to an end and proved to be a successful event.
